## Rustenburg's one-stop superstore

**Rustenburg** – The well-known TAZ2000 and the Geelhout Park Material Centre were founded in Rustenburg in 2011.

TAZ2000 originally began as a signage company with manufacturing, supplying and installing signage locally. The Geelhout Park Material Centre's primary focus was haberdashery and a wool centre.

In 2016, the company's directors decided to merge TAZ2000 and the Geelhout Park Material Centre into one superstore namely 'ABBA EMPORIUM'. The new store was relocated to 158 Fatima Bhayat Drive, Rustenburg – and the friendly staff, available on 014-594 2657, can be contacted for any additional information.

From 26-29 April they will be launching a massive birthday sale! ABBA EMPORIUM stocks baby wools, fancy wools, family knits, crochet cottons, knitting needles, knitting patterns, knitting looms, wooden hangers, cottons, zips, laces, trims and related items. They also stock school stationery, office stationery, safety wear, t-shirts, dry-mac jackets, crockery, plastic ware, arts, crafts, trophies, medals and much more.

ABBA EMPORIUM also do faxing, emailing, laminating, photocopies, ID/ Passport photos, t-shirt printing, cap printing, agent boards, safety signs, road signs, shop and display signs, banners, flags, binding, press studs and eyelets.
