## CELEBRATING A SUCCESSFUL GOLD CUP FOR IMPALA

Newrak mining representatives, coaches and club committee members.

The team celebrated their new sponsor and gave a big thank you to Richard Steyn.

**Rustenburg** – Newrak Impala Rugby Club kicked off the Gold Cup tournament on 9 March against Roodepoort. They remained undefeated until the very last game on 12 April when they defeated Durbanville-Bellville and walked away with the prestigious Gold Cup. The Newrak Impala Rugby team celebrated their victory on Tuesday 30 April at Barrel and Bull with their sponsors, coaches and the Newrak Impala committee. It was a festive event not only to celebrate their win, but also to celebrate a new sponsor: South African Breweries (SAB). During the event team captain Justin Wheeler said: "There is no 'I' in team but there is an 'I' in win. This means that you have to decide for yourself how hard you are willing to work for the win." The team would like to thank all their supporters, sponsors, and committee members for rooting for them during the Gold Cup tournament.

A winning team.
