

BRIGHTEN UP THIS FESTIVE SEASON

Rustenburg – Despite global warming, we can wager that Rustenburg will never have snow on Christmas morning... But that doesn't mean the residents of Rustenburg won't get into the Christmas spirit, sleigh and all. There's no better entertainment for the little ones entertained than letting them take a tour through the enchanting streets of Rustenburg

filled with Christmas lights. The Coetzee-family has been doing this for the last 12 years and they are opening their gates again this year to anyone who wants to come and experience the lights with family and friends. Make sure to bring your camera and visit them at 36 Kremetartlaan, Geelhoutpark, to enjoy the lights on display.
