Rustenburg – The Bee awareness programme and the founding of the Urban Bee Guild will be under the spotlight during the 2020 South African Honey Festival in Rustenburg, from 21 to 28 November.

This year's festival will be a 'hive' of sensory activities and offers a wonderful opportunity for all beekeepers, industry members and agricultural stakeholders to participate in showcasing their bee-related products. Miané Smith was the winner of last year's Miss Honey Festival Queen pageant and is ready to hand over her crown to the 2020 Miss & Mr Honeybee winner. This pageant is one of the highlights of the festival so make sure that you enter!

Bees are an essential part of our ecosystem. As they harvest nectar from different plants to create their honey, they also pollinate numerous plant species.

Bees pollinate at least 70% of crop species that make up most of the world's food. Without these busy little bees, we may lose not only all the plants that they pollinate but also all the animals that eat those plants. Unfortunately, bees are dying out at an alarming pace.

The Urban Bee Guild believes that better bee awareness will help people to learn more about their environment.

For more information contact Honey Festival organiser Hennie Oberholzer on 076 756 0801 or habitatgo@gmail.com.

For all pageant related enquiries, contact Globe Model Look owner Lizelle Jacobs on 082 084 6885 or Hanli Naude on 071 609 8533.

## BOYFRIEND SHOTS GIRLFRIEND, THEN HIMSELF

**Karliem Park/ Rustenburg** – A man shot his 29-year old girlfriend before turning the gun on himself on Friday 21 August in a development that left the community of Karliem Park in shock.

Police spokesperson sergeant Ofentse Mokgadi said investigations are underway to establish more details on the incident.

A community member said neighbours rushed to 44 Collins street at around 14:00, shortly after two gunshots were heard coming from that house. "They found the couple dead. We do not know why this happened. Everyone is in shock," the community member said.

A close relative of the boyfriend told *Platinum Weekly* that a traditional marriage of the couple was due to take place on Saturday 22 August.

Rustenburg Local Municipality (RLM) councillor Luan Snyder, who went to the scene, said couples must consider counselling to resolve any serious misunderstandings. "Every woman and child have the right to protection and safety. We must all reach out for help, especially when we are facing challenges. Never be silent, no matter how scared you might be."

Police investigators and community members were at scene of the murder and suicide.

## MAN IN COURT FOR ILLEGAL GUNS AND FAKE ALCOHOL

**Rustenburg** – A 45-year old man from Safari Gardens was arrested on Tuesday 18 August for the illegal possession of a firearm, possession of counterfeit goods and corruption.

Wenjoia Weng, who was arrested at his home after failing to account for a pistol and counterfeit alcohol, got himself in deeper trouble when his attempt to secure his freedom by bribing a police officer hit a brick wall.

Weng was granted R5,000 bail when he appeared before the Rustenburg Magistrates' Court on Monday 24 August. He is scheduled to appear again on Tuesday 29 October for trial.

"The suspect was arrested through an intelligence-driven operation by members of the Phokeng K9 Unit at around 21:00 in the Safari Gardens area of Rustenburg," police spokesperson brigadier Sabata Mokgwabone explained. "During the operation, a pistol and 371 9mm rounds of ammunition were found in the house. Liquor labels and various brands of suspected counterfeit liquor worth R380,000 were confiscated."

Mokgwabone said a charge of corruption was added after the suspect attempted to bribe a police officer with R6,000. Police are still investigating the matter.

North West provincial commissioner general Sello Kwena commended the police for the arrest and said efforts to seize all illegal firearms from the community will be intensified.

The suspect failed to account for the firearm found in his possession.

The suspect was found with counterfeit liquor worth R380,000.

## JOEY AND ANISHA'S MURDERERS FOUND GUILTY

**Mooinoi** – The trial against the four remaining people accused of murdering Joey and Anisha van Niekerk from Mooinoi in 2017 concluded in the North Gauteng High Court in Pretoria on Wednesday 26 August.

The four suspects were found guilty on various charges including murder, kidnapping and rape and will be sentenced on 15 and 16 October.

Initially, eight individuals were arrested in connection with the case but three have since turned state witnesses. One state witness, Wilhelm Loubser, died in a motorcycle accident on 3 November 2018.

During September 2019, Koos Strydom, the alleged 'mastermind' behind the murders was found unconscious in his cell and was transported to the hospital where he was declared braindead.

The murdered couple went missing on 10 December 2017 after leaving their home in Mooinoi to make arrangements for Joey's father's funeral. They were kidnapped, raped and killed, their bodies soaked in acid and burned beyond recognition. The burned-out shell of their vehicle was found on 16 December 2017 in the Magaliesburg area.

## JOHN 16: 16 - 24

<sup>16</sup> “A little while, and you will not see Me; and again a little while, and you will see Me, because I go to the Father.”

<sup>17</sup> Then some of His disciples said among themselves, “What is this that He says to us, ‘A little while, and you will not see Me; and again a little while, and you will see Me’; and, ‘because I go to the Father’?” <sup>18</sup> They said therefore, “What is this that He says, ‘A little while’? We do not [d]know what He is saying.”

<sup>19</sup> Now Jesus knew that they desired to ask Him, and He said to them, “Are you inquiring among yourselves about what I said, ‘A little while, and you will not see Me; and again a little while, and you will see Me’?” <sup>20</sup> Most assuredly, I say to you that you will weep and lament, but the world will rejoice; and you will be sorrowful, but your sorrow will be turned into joy.

<sup>21</sup> A woman, when she is in labor, has sorrow because her hour has come; but as soon as she has given birth to the child, she no longer remembers the anguish, for joy that a human being has been born into the world. <sup>22</sup> Therefore you now have sorrow; but I will see you again and your heart will rejoice, and your joy no one will take from you.

<sup>23</sup> “And in that day you will ask Me nothing. Most assuredly, I say to you, whatever you ask the Father in My name He will give you. <sup>24</sup> Until now you have asked nothing in My name. Ask, and you will receive, that your joy may be full.

# AFRIFORUM SE RUSTENBURG-BUURTWAG BEVEILIG BEGRAAFPLAAS VIR BESOEKERS

**Rustenburg** – Die AfriForum-buurtwag in Rustenburg het in samewerking met die plaaslike gemeenskapspoliëeringsforum (GPF) en Rustenburg Crime Combating Forum (RCCF) op 2 en 9 Augustus die Donkerhoek munisipale begraafplaas in Rustenburg beveilig sodat inwoners hul geliefdes se grafte kon besoek. Dié buurtwag het besluit om elke Sondag in Augustus van 11:00 tot 14:00 die begraafplaas te beveilig.

“Die swak toestand van dié begraafplaas skep ’n veiligheidsrisiko wat mense ontmoedig om daarheen te gaan. Die Rustenburg-buurtwag het daarom besluit om elke Sondag van Augustus dié begraafplaas te beveilig sodat inwoners veilig voel en die grafte kan besoek,” sê AfriForum se Rustenburg-tak veiligheidsvoorsitter Dawie Odendaal.

“Sigbaarheid speel ’n deurslaggewende rol om misdaad te bekamp. AfriForum se buurtwagte sal daarom voortgaan om klem te lê op verhoogde sigbaarheid aksies in hul onderskeie gebiede,” sê AfriForum se distrikskoördineerder vir Marico Petrus Coetzee.

## ‘Lift clubs’ annoy taxi operators...

**Rustenburg** – The South African National Taxi Council (SANTACO) in the Bojanala region has launched an investigation into the conduct of operators who have been accused of harassing motorists and passengers in Bleskop.

The taxi operators are uncomfortable with people who have formed lift clubs to cut costs associated with traveling to and from the Rustenburg central business district. A lift club is usually an arrangement where every member has a car and they take turns driving. However, some taxi operators argue that the increasing trend of people travelling to work every day with the same driver is now posing a serious threat to the viability of their businesses.

Some taxi operators also fear the growing trend of hitchhiking, which is an illegal practice that also adversely affects their revenue base.

On Friday 24 August, some taxi operators affiliated to SANTACO were reportedly seen physically pulling out passengers from private vehicles and leaving them stranded.

SANTACO chairman in the Bojanala region Herman Sibogoe told *Platinum Weekly*: “I know about the incident and I am awaiting a report from the conflict management team. As SANTACO we want to apologize to the commuters and all of the people who have been negatively affected by the incident.”

Some taxi operators have been accused of harassing motorists.

## AfriForum se Rustenburg-tak herstel slaggate en maak dorp skoon

**Rustenburg** – Die AfriForum-tak in Rustenburg het in Julie sy volhoubare projek in die dorp voortgesit. Dié projek behels die sny van gras op sypaadjies, die optel van rommel en die herstel van slaggate. Die tak het in Julie R10,000 aan die projek bestee. ’n Totaal van 22 slaggate is in verskeie dele van die dorp opgevol, terwyl die sypaadjies van die volgende strate netjies gemaak is: Zendeling, Belkum, Kerk, McGregor en Molen.

“Die munisipaliteit versuim om die dorp netjies en die paaie in stand te hou. Die lang gras op die sypaadjies en die slaggate is ’n geweldige veiligheidsrisiko vir motoriste in Rustenburg. Daar waar die munisipaliteit nie hul werk doen nie, sal AfriForum toetree om die gemeenskap te help,” sê AfriForum se distrikskoördineerder vir Marico Petrus Coetzee.

AfriForum vra ook dat gemeenskapslede en sakeondernemings by dié inisiatief betrokke sal raak om selfs ’n groter verskil te maak. “Hierdie volhoubare projek is daarop gefokus om die gemeenskap te help. Ons maak twee tot drie dae per week skoon en herstel slaggate,” sê AfriForum se Rustenburg-tak voorsitter Chris Trytsman.

**Raak vandag nog by dié projek betrokke: SMS “Rustenburg” na 45351 (R1).**

VOOR: Slaggat op die hoek van Bosch en Belkumstraat.

NA: Die slaggat op die hoek van Bosch en Belkumstraat wat herstel is.

# TRAGIC END TO A SHORT LIFE

## POLICE LINE DO NOT CROSS

**Rustenburg** – An eight-year-old girl was tragically killed in a car accident in Helen Joseph drive on Wednesday 19 August. The mother of the girl, and her three-year-old son sustained serious injuries and was hospitalised. They were passengers in the white Toyota bakkie that overturned.

According to police spokesperson captain Elsabé Augoustides, they were crossing the bridge towards the BP garage when the driver lost control of the bakkie and it overturned. A case of culpable homicide is being investigated.

## TRUCK COLLISION CLAIMS A LIFE

The scene where the truck, Tiguan and Nissan NP200 collided.

**Rustenburg** – One person was killed and another seriously injured in an accident on the R24 - at the bend in the road overlooking Olifantsnek dam - on Sunday 23 August. The driver of a six-ton truck was on his way to Rustenburg when the truck and a maroon Volkswagen Tiguan driving in the same direction near Olifantsnek, collided. The driver of the Tiguan was on his way to Chaneng, Ledig, to pick up his child. Police spokesperson Captain Elsabé Augoustides confirmed that the deceased, Annemarie van Niekerk, and her husband Jacob van Niekerk was travelling in a Nissan NP200 bakkie in the opposite direction towards Derby. Tragically, Annemarie died and Jacob was seriously injured and rushed to hospital. A case of culpable homicide is being investigated.

## SASSA OPENS WINDOW FOR PAYMENT METHOD CHANGE

**SA** – The South African Social Security Agency (SASSA) will once again open its system for approved applicants to change their preferred method of payment for the special COVID-19 SRD grant.

The window period is scheduled for Monday 31 August to Sunday 06 September, 24 hours a day.

During this period, beneficiaries can change from receiving their grants at the post office to receiving them through their bank accounts. They may also change from one bank to another if they prefer to. Approved beneficiaries of the grant can change their payment method by visiting <https://srd.sassa.gov.za> during this period.

“When choosing a bank account, ensure that the account is in your name (SASSA cannot pay money for one person into the account held by another) and that the bank account is not closed. The payment process is delayed if money is sent to a closed account, as SASSA has to wait for the funds to be returned before sending it to the Post Office for collection,” said SASSA chief executive officer Totsie Memela.

The payment of the COVID-19 grant is quicker if paid into a bank account. Applicants without bank accounts are thus encouraged to open a bank account. There are many entry-level, inexpensive options in the market – some of which can be opened online. Clients who have just been approved for the relief grant by SASSA and have received an SMS to upload and verify their bank details can do so at any time and need not wait for the window period. The sooner the details are uploaded, the quicker the payments can be made. Any citizen who does not update their information during this window period, or who provides incorrect banking details will have the payments for the remaining months sent through to the Post Office.

Responses to frequently asked questions about this relief grant can be found on the WhatsApp platform on 082 046 8553.

## MINERALS COUNCIL SOUTH AFRICA LAUNCHES FIRST NATIONAL DAY OF WOMEN IN MINING

**South Africa** – The Minerals Council South Africa has launched the first National Day of Women in Mining highlighting its focus on the implementation of initiatives designed to achieve stretch targets for the representation and advancement of women in the South African mining industry.

At present, women make up 12% of the mining workforce, compared to 6% in 2008.

The stretch targets set and agreed by Minerals Council members are to ensure that we at least double the percentage of women in mining by 2025 and ultimately work towards 30% to 40% women representation across the industry and 50% in management over the next decade.

Minerals Council vice president and chair of the women in mining leadership forum Nolitha Fakude said: “There are moral and regulatory imperatives to advancing women in mining. But there is an even more important point: No industry can continue to thrive if it only uses half of its population. When we bring in people with different skills and abilities to make a positive contribution, we get the best outcomes for the industry and for South Africa’s economy.” Minerals Council chief executive officer (CEO), Roger Baxter emphasised that for the industry to meet the bold and ambitious targets they have set, will require not just real commitment from

senior executives, but the inculcation of this changed culture across all levels in all our member companies. The Minerals Council women in mining leadership forum – the most high-level structure under the board – has representatives of CEO and senior executives from 16 mining company members.

“One small but significant step is that at the beginning of every Minerals Council meeting, there will be reflection on the continued importance of women in mining, the challenges that are being faced and the successes that are being achieved. This small step will ensure that we put gender on the agenda!” Minerals Council vice president, and Women in Mining champion Neal Froneman, noted that this initiative was not something that was targeted only at women, but also at men at all levels of the industry. Froneman also urged all mining industry leaders and employees not to forget the very real hardships faced by women in mining and in communities every day, especially because of gender-based violence. He urged everyone – men and women alike – not to simply be bystanders, but to report and stop gender-based violence and harassment both at work and at home.

# STOKPERDJIE HELP R10,500 INSAMEL VIR KINDERSORG

**Rustenburg** – Ouma Freda Grobler het tydens die inperking na haar vier kleinkinders Elbé, Minke, Adriaan en Nici Grobler omgesien. Sy was naderhand raadop om hul besig te hou en het besluit om hulle te leer brei. Dié nuwe stokperdjie het in 'n interessante projek verander om geld in te samel vir Rustenburg Kindersorg. Die jongspan het begin blokkies brei met oorskiet wol wat deur vriende en familie geskenk is, en ouma Freda het die blokkies aanmekaar vasgewerk om 'n pragtige

blokkies kometers te maak. Hulle het besluit om die kometers op te veil en die NG Proteapark genader om met die projek te help. Die eerste bid vir die kometers was R4,500. Daarna het nog skenkings ingekom en hul kon op die ou einde R10,500 aan Rustenburg Kindersorg oorhandig. Die nuwe eienaar van die kometers het versoek dat die kometers aan die Rustenburg Kindersorg voorsitter Sheehan Grant gegee word om dankie te sê vir alles wat hy doen.

**Rustenburg** – The Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) volunteers and committee members took turns to sleep in the kennels from Friday 21 August to Friday 28 August. With this fun initiative, they hoped to not only raise money to repair the kennels but to raise awareness of the animals that are alone and have to sleep outside in the cold. Armed with their mattresses, warm blankets, slippers and their kennel cuddle-buddy, they faced the cold nights in the name of fundraising.

"I spent one night with the cats and one night with the dogs and it was an amazing experience. They just wanted to cuddle. I really hope that people can see just how much love these animals have to give and that they will get adopted so they have someone to cuddle with every night," said Rustenburg SPCA committee member Marisa Kruger in an interview with *Platinum Weekly*.

Even though the nights were cold, each volunteer slept with a warm heart knowing that they made the night a little better for an animal in their care.

Visit the Rustenburg SPCA and have a look at the animals looking for new homes. You can save the life of an animal and in return receive more love than you could ever have imagined.

Thank you to everyone who donated towards the sleepover project. The success of the SPCA depends entirely on the support they receive from the community and these funds will go towards creating better conditions for the animals that they care for.

For more information contact the Rustenburg SPCA office on 014 592 3181 or [admin@spcarb.org.za](mailto:admin@spcarb.org.za).

## PAYING TRIBUTE TO THE COURAGEOUS WOMEN OF SOUTH AFRICA

August in South Africa is recognised as National Women's Month. Women's Month is a tribute not only to the approximately 20,000 courageous women who marched to the Union Buildings in Pretoria to protest in the struggle for freedom on 9 August 1956. It is also a month to acknowledge and pay homage to all the heroic women of this country. To pay tribute to the brave women, *Platinum Weekly* took to the streets of Rustenburg to chat with the locals about the women who inspire them.

"Our community's pastor, Kefilwe Kekae, is my role model. She is a pastor who has been supporting and helping survivors of sexual abuse and gender-based violence."  
**Baleseng Moroke**

"The most inspiring woman in my life is my spiritual mom who has been in ministry for 20 years. She has devoted her life to spreading the gospel and teaching young people to live fearlessly for Christ. She has opened up her home and heart to the ones seeking to have a relationship with God."  
**Naledi Modisapudi**

"Pastor Mary Segone has played a vital role in changing my life. She has taught me a lot about life and faith. I am a God-fearing woman because of her teachings and that is why she is the most iconic woman in my life."  
**Lebogang Motsilyane**

"Charlize Theron is a beautiful and inspiring woman because she is one of a few South African actresses to gain world-wide recognition and make it to the Hollywood's walk of fame."  
**Lodewikus Peens**

## SANLAM HELPS TO FLATTEN THE CURVE

**Rustenburg** – Sanlam donated personal protective equipment (PPE) to the South African Police Services (SAPS) in Rustenburg as part of an initiative to fight the spread of COVID-19.

On Thursday 13 August personnel from Sanlam handed out sanitiser stands, sanitising liquid as well as thermometers in a development that will help stop the global pandemic from affecting local police stations. Station commander for Rustenburg SAPS brigadier Nozipho Modise, who received the donations on behalf of SAPS, expressed her sincere appreciation to Sanlam for the gesture.

Brigadier Nozipho Modise received the PPE from Sanlam's Charissa Saunders.

## WOMEN IN MINING IMPALA RUSTENBURG SOCIOECONOMIC DEVELOPMENT MANAGER KWENA MMETI

**Rustenburg** – Impala Rustenburg socioeconomic development manager Kwena Mmeti was recently interviewed on Radio Mafisa, 28 August, – to celebrate Women's Month and to talk about her journey which led her to a career in the mining industry. She was first introduced to the mining industry in the final year of her BCom degree at the University of Pretoria when she was informed by her lecturer that there were positions available for trainee accountants at Impala Rustenburg. After a few years in the position, Kwena was appointed socioeconomic development manager at Impala Rustenburg.

"When I joined the company, I was intrigued by the endless opportunities available for a finance graduate. If you are willing to learn, the company affords its employees opportunities for exposure in different areas of the company," says Kwena.

She believes that one of the biggest challenges facing women in the mining industry is patriarchal attitudes and systems. Commenting on her personal experience, Kwena says: "For a very long time I was the only woman in the finance team at a management accountant level across the company. Whenever we employed new graduates, I made sure we employed female candidates and part of my responsibility then became on-the-job training."

She advises women to start building their own support systems and believes that women will be in a better position to challenge the male-centred societal norms entrenched in the industry if they are empowered to succeed. Her advice to women who wish to excel in the mining industry is to set yourself apart, be a unique and dependable person, be decisive and willing to make difficult decisions and be willing to learn from everyone you cross paths with.

"It is important to offer excellence in service and do everything as if it's the only thing you have to do. Respect all people, irrespective of the level of seniority," adds Kwena.

### MEN JOIN FIGHT AGAINST WOMEN ABUSE

**Seraleng/ Rustenburg** – The alarming rate of violence and abuse towards women and children is not going unnoticed. On Monday 10 August, the Seraleng Care Centre for Abused Women and Children held a march as part of a wider campaign to rally society to support the fight against the abuse of women and children.

Members of the South African National Civic Organisation (SANCO) were part of the march, which was held near the Seraleng Clinic. Mabel Ndaba, one of the organisers of the event, said: "Several men also turned up and we are happy that many of them are behind such initiatives."

The march raised awareness on women and child abuse.

## GRIET VIER HAAR 100<sup>STE</sup> VERJAARSDAG

**Rustenburg** – Griet Naude het op Sondag 23 Augustus haar 100ste verjaarsdag saam met haar kinders en kleinkinders en agterkleinkinders gevier. Vir die spesiale verjaarsdag die familie besluit om haar te pamperlang. Sy is op 23 Augustus 1920 naby Rustenburg gebore. Sy ontmoet later vir Rooijan Naude, die liefde van haar lewe en saam maak hulle hul drie kinders op die familieplaas te Paardegkraal groot. Hulle tye saam op die plaas is haar kosbaarste herinneringe. Sy word later drie skoonkinders ryker en haar familie word nog groter met 12 kleinkinders en 28 agterkleinkinders. Sy het hulle vreeslik bederf en altyd gesorg as die kleinkinders kom kuier dat elkeen se gunsteling gereg bedien word.

In die laaste 100 jaar was familie nog altyd vir haar die belangrikste en om hulle gelukkig te sien haar grootste vreugde. Op die ouderdom van 100 is sy nog steeds 'n sterk vrou met 'n geheue soos 'n olifant en kan gedigte uit haar kinderdae woord-vir-woord onthou. Baie geluk Griet en mag God jou in oorfloed seën!

Griet Naude saam met 'n paar van haar kleinkinders.

## “POPI ACT”

The 1<sup>st</sup> July 2020 brought into effect the Protection of Private Information Act (“POPI”). The aim of the legislature was to protect personal information, and this lengthy process begun as far back as 2013. The act is currently in effect and therefore imposes legal obligations. Penalties for non-compliance will however ignite in July 2021.

Experts exhort that the act requires that all personal information be lawfully processed in a manner that is reasonable. Reasonableness would infer a manner that is appropriate, moderate and/or fair. It does not translate to absolute or iron clad. Ignorance of the Law will not be a defence if someone’s personal information was abused by your entity or organisation.

A simple example of an abuse of information:

*“ABC Limited serves as a repository of your email address for billing purposes. ABC then decides to market other business-related products, sells the information to third parties or shares the same with outside parties without your consent”*

Entities will from the onset disclose their intent from the collection of personal information phase until its usage. The duty to safeguard the information rests with the entity and all data retrieved must be adequately preserved.

The obligations imposed on entities to ensure compliance are not exhaustive, however there are a number of ways in which this can be achieved, which include, but are not limited to the following:

1. Creating internal policies and procedures which set the benchmark as to what personal information is collected, how it is collected, and ensuring the safe storage of the information,
2. Review existing databases and agreements for any potential risks in respect of disclosure or information leaks,
3. Generate information packs to inform consumers and clients what personal information is collected, how it is processed, how it is utilised and how it is stored. Documents that can be included in these information packs are the entity’s privacy policies, consent forms etc., no private information can be utilised without consent, or for purposes other than what it was intended for.
4. Ensure that all staff are adequately and consistently trained to implement the policies and procedures in place to securely collect, store and process private information of third parties.

It is essential that all entities familiarise themselves with the provisions of the Act and fully take on the responsibility to be compliant with the provisions thereof. Failure to do so will not only potentially result in penalties being imposed, but there is also a risk of legal recourse from affected parties.

### Morality Upheld

When companies solicit personal information under false pretences then that demonstrates a product of deficient learning. Call to mind that moral character is an acquired trait.

In the words of Kahlil Gibran

*“The trouble with our society consists in the phenomenon of LIE, which modern man has invented and introduced into nature as synonymous to truth “*

## AUSTRALIAN DOMESTIC

**Western Force vs Reds**  
Die Force word weer geboelie en kry 'n groot pakslae by die Reds en verloor 5-57. James O' Connor het 'n goeie dag op kantoor vir die Reds gehad en teken 22 punte aan wat 'n puik drie insluit. Hy word ook die eerste Super Rugby speler ooit om 100 punte vir drie verskillende spanne aan te teken in die kompetisie. Makliker gaan dit nie raak vir die Force nie, want hulle volgende game is teen die Brumbies. Die Reds geniet

'n loslootjie.  
**Brumbies vs Waratahs**  
In Canberra klop die Brumbies die Waratahs 38-11 en kuier ses keer agter die Tahs se doellyn. Met rustyd was die telling 12-11 in die Brumbies se guns. Die tweede helfte het egter aan die Brumbies behoort en hulle teken 26 onbeantwoord punte aan. Die Waratahs speel volgende teen die Rebels met die Brumbies wat teen die sukkelende Force gaan uitdraf.

## SA RUGGA CHUNKS

Die Southern Kings is bankrot en sal nie weer in 2020 enige rugga speel nie. Die WP Rugby Unie het 'n R100 miljoen aanbod van 'n paar Amerikaanse sakemanne ontvang. Met druktyd is daar nog nie 'n besluit geneem nie...

SA Rugby beplan dat vier SA spanne moontlik in 'n vergrote PRO-14 sal deelneem. Curriebeker rugga sal moontlik op 14 September afskop maar sal volgende week bevestig word.

## YOU CAN DO THIS!

**Rustenburg** – This year has been a rollercoaster for the Grade 12 class of 2020. The year started like any other – slow and steady, but with the closure of the schools in March their journey got a bit steeper. They all worked hard for the past 11 years and during their final lap, COVID-19 and the national lockdown brought a few unexpected twists and turns. They have experienced many ups and downs with schools closing and opening and closing and opening and held on tightly while not being sure in which direction the next loop will throw them. They are finally back at school, adapting to the new normal and have started to prepare for their exams. A decision was taken by the minister of Basic Education Angie Motshekga, to administer the May/June 2020 examination concurrently with the October/November 2020 examination. The combined June and November examination will officially start on Thursday, 5 November. In the meantime, a few schools have also decided that the learners will have to write mini-exams to help learners prepare. In an interview with *Platinum Weekly*, Hoërskool Rustenburg Grade 12 learner Jana Geyser said: "I am so happy to be back at school and although this will be no easy task, we have a very strong support system to help us." "I am very grateful for our amazing and dedicated teachers. It is just so much better to be able to sit in a real classroom and have your teacher right in front of you," added RHS Grade 12 learner JP Botha. RHS teacher Vickie Cronje commended the Grade 12s for their positive attitude and determination. "It

wasn't always easy, but I am confident that they will make the best out of this difficult situation and come out stronger." The end is in sight and once they reach the top of this hill, they will experience the final thrill of this adventure. From the *Platinum Weekly* team, we would like to say good luck to all the Grade 12s! This has been a bumpy ride but by the grace of God, we know that you can do this!

RHS Grade 12 learners JP Botha and Jana Geyser giving each other a social distance high-five.
