SILVER LINING FOR RUSTENBURG PRIMARY EDUCATION

Rustenburg – Laerskool Silwerrand Primary has been operating for the past six years. In 2021, school principal Marlien van Rooyen will be expanding the school to offer English so that more children can benefit from Christian-based education. The 9.5ha campus, located less than 2km off the R24 from Waterfall Mall, had a festive atmosphere decked with balloons, educational displays, and friendly educators to welcome potential learners and their parents to the school's open day on Friday 9 October. This school offers instruction in the CAPS curriculum as well as sports and cultural activities. The school director Charlene Schoeman explained that the school is registered with the Department of Basic Education and aims to develop children's literacy, character, and promote a positive mindset for the future.

FIVE LIVES LOST

Groot Marico – Department of Community Safety and Transport Management member of the executive committee (MEC) Sello Lehari pleaded with motorists to exercise extreme caution while driving. "This will help to reduce the high rate of road accidents in the North West province."

Lehari made these remarks on Sunday 11 October after he had been informed of an accident near Groot Marico which resulted in the death of one woman and four men. The fatal accident occurred between 12:00 and 13:00 when two vehicles, travelling in opposite directions along the N4, collided head-on.

The N4 is one of the busiest national arterial routes linking Mozambique, South Africa, Botswana, and Namibia.

In his condolences to the families of the deceased, the MEC made an impassioned plea for all motorists to observe traffic regulations. "We are deeply saddened by the accident on one of our busiest roads. Our deepest condolences to the deceased's families."

Five people lost their lives in a head-on collision.

CHILD RAPIST HANDED LIFE SENTENCE

Letlhabile/ Brits – A 33-year-old man was sentenced to life in prison by the Brits Regional Court on Wednesday 30 September after he was found guilty on three counts of rape.

Evidence produced in the court linked Johannes Toi Joubert to three rape incidents which occurred from May 2014 to October 2015. Joubert was arrested on Monday 3 August 2015 at his home in Letlhabile outside Brits following an intensive investigation led by sergeant Boitumelo Rakabe from the Brits Family Violence, Child Protection and Sexual Offences (FCS) unit.

Before the long arm of the law caught up with him, Joubert targeted minor victims aged 8 to 16.

"As part of his method of committing the crimes, the accused hid and waited for unsuspecting school-going children in the bushy and secluded areas of Maboloka village, Centreville and Block F," police spokesperson colonel Adèle Myburgh said. "He would then grab and verbally threaten the children before raping them. Through forensic evidence, investigators managed to link the accused to three cases that were reported from May 2014 to October 2015."

Sergeant Boitumelo Rakabe investigated the case.

ANDREA'S MURDERER BACK IN SA

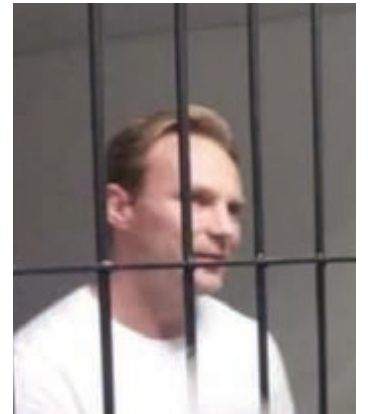

Rustenburg – After seven years in hiding, Gerhard Jansen van Vuuren was tracked down and arrested on Thursday 18 June 2020 in Rio de Janeiro, Brazil, for the murder of his ex-girlfriend Andrea Venter on 2 May 2011. He arrived on South African soil on 9 October along with Interpol investigators who traced and tracked him down. Gerhard is scheduled to appear before the court on 6 November, along with witnesses to the murder that have been called in to testify at the trial. Prior to her murder, Andrea had taken out a protection order against her ex-boyfriend Gerhard. After completing her studies in Potchefstroom, she relocated secretly to Johannesburg, but the obsessed Gerhard telephoned 34 accounting firms till he found where she was working. He stands accused of stabbing Andrea to death at the entrance of the housing complex where she was staying in Fourways, Johannesburg. Afterwards, he attempted suicide by cutting his throat and laying down next to her body. Paramedics

arrived on the scene and were able to save Gerhard, but Andrea was declared dead on scene. Gerhard was set to stand trial on 20 May 2013 in the South Gauteng High Court. He had been denied bail twice by the Randburg Magistrates' Court on the grounds of being dangerous and a flight risk. Gerhard's legal team re-applied for bail... at the High Court – where his bail was granted. Four days before the start of his murder trial, Gerhard fled the country using false documentation. In August 2013, he was re-arrested after being spotted by a retired local police officer in Brazil and charged for having false documentation. Regrettably, Gerhard was released from a Brazilian jail in 2015 after serving a short sentence for the use of false documents. In the meantime, Interpol Pretoria had been in contact with Brazilian authorities to locate him. Several years later, due to the persistence of the South African Police Service (SAPS) Investigative Psychology Section, Interpol Pretoria, the National Prosecuting Authority and the Brazilian Federal Police, law enforcement prevailed and led to the arrest of the fugitive.

Andrea's father, Dries Venter (from Rustenburg) is grateful to all the role players who were involved in ensuring that his daughter's murderer was brought back to South Africa. "I am relieved that he was caught and that he will finally get what he deserves," said Dries. Annatjie Venter, Andrea's mother, passed away in 2016 and will unfortunately not see her daughter's killer brought to justice. "After the death of her miracle daughter and the escape of her killer, my wife was heartbroken and five days after her 63rd birthday, she passed away," confided Dries. National police commissioner Khehla Sitole commended all justice units for their hard work and relentless efforts. "This is indeed victory for us as a service, thank you to the team who didn't give up even after years of hard work."

DECOMPOSED BODY FOUND

Rustenburg – A decomposed body found near Thekwane on Monday 12 October is suspected to be that of an alleged illegal miner. The corpse might be linked to an incident that occurred on Saturday 3 October when Sibanye Stillwater security chased away a group of suspected illegal miners. One of the alleged suspects never returned home but the others assumed he had been arrested until they heard about the body that had been found. According to police spokesperson captain Elsabé Augoustides, once the forensic investigation has been concluded, they should be able to determine the cause of death.

MARTIN FOUND ALIVE

SEVEN INJURED AND ONE DEAD IN CIT HEIST

The police mounted unit assisted in the search for Martin Molosi.

Rustenburg – Martin Molosi was found alive on Friday 9 October after he went missing six days prior during an early evening walk in Leontis Place Geelhoutpark.

A group of friends located Martin and united him with his sister Obakeng Petlele. Obakeng confirmed that Martin received medical attention and thanked the police, church congregations, businesses, the communities of Geelhoutpark and Tlhabane, the Rustenburg North Community Police Forum, local radio stations, friends, and family for their prayers and efforts.

A concerned Obakeng left no stone unturned in the search for her brother and launched a Facebook campaign to encourage people to search for him and to pray for his safe return. Police spokesperson captain Elsabé Augoustides confirmed that the case has been closed.

Rustenburg – Five members from Rustenburg Flying Squad and K9 Unit as well as two Fidelity security guards are being treated in hospital for gunshot wounds following a botched cash-in-transit (CIT) heist on Thursday 8 October.

The Rustenburg Police were on high alert and patrolling Geelhoutpark following a tip-off on the planned CIT robbery.

As the police were driving along Watsonia Road, they came across the active scene. The suspects fired shots at the police vehicles and the officers retaliated. An unknown number of suspects got into their getaway vehicles and fled the scene.

According to Hawks North West spokesperson captain Tlangelani Rikhotso, the police gave chase and at Tlhabane Shopping Centre another shootout ensued, resulting in five police officers sustaining gunshot wounds while one suspect was fatally wounded.

The province then instituted the 72-hour Activation Plan to

ensure that all role players were roped in to investigate and trace the perpetrators that managed to flee the scene. The national commissioner of the SAPS, general Khehla Sitole, commended the members' bravery and wished them, as well as the injured security guards, a speedy recovery.

Police spokesperson captain Elsabé Augoustides thanked all the stakeholders for their quick response to provide backup to the police.

"Our police officers and members stood their ground! We had immediate support from Fidelity. Our community patrollers, Community Policing Forum, security companies as well as other members of the public turned up in numbers and assisted with information and preserving the different crime scenes. To our five injured colleagues – wishes for a speedy recovery!"

The police are appealing to anyone with information that can lead to the arrest of the suspects to call Crime Stop number 08600 10111 or to send tip-offs on MySAPS App.

CALCIUM AND MAGNESIUM ARE IMPORTANT FOR ATHLETES

Your nervous system works somewhat like the electrical current in your home. The current enters through the switchboard, and from there powers the lights and appliances which make it habitable. Any interference can cause intermittent current experienced as flickering lights or worst-case scenario no power! Similarly, the nervous system sends electrical impulses through the body to activate the functioning of organs, glands, and muscles. Spasms, pain or lack of energy indicate weak electrical impulses which are unable to maintain the functioning of the heart and lungs and release of hormones to keep pace with the demands of the muscles used in sport.

What causes this? Some of the most important minerals the nervous system needs to function optimally, especially during exercise, are calcium and magnesium.

LV Nutritional Products has formulated a combination of calcium and magnesium that is quickly absorbed so that muscles and nerves can function optimally even during strenuous exercise. Calcium and magnesium are in a 2:1 ratio with vitamin C which creates the optimal pH for maximum absorption of the minerals in the body.

FOR MORE INFORMATION, CONTACT LV NUTRITIONAL PRODUCTS ON 011 452 8892/3/5.

Die optog sal om 08:00 afskop op die hoek van Leyd straat en Oliver Thambo rylaan en sal deur verskeie strate dwarsdeur Rustenburg beweeg tot by die area waar die kruise geplant sal word. Bring jou eie kruis van enige grootte. Die kruis moet wit geveer wees met 'n skerppunt wat in die grond ingeslaan kan word. Jy kan jou eie boodskap opsit en indien moontlik bring 'n hamer saam om die kruise in te slaan. "Ons wil vir die boere wys, hier is mense wat omgee.

Dit breek my hart om daaglik te lees van boere wat aangeval en vermoor word. Ons wil hê die hele Suid-Afrika moet saam staan, ons moet ons verskille opsy stoot en saam bid vir die boere. Doen dit vir jou kinders se toekoms," het organiseerder Tina Steyn gesê.

SOULFOOD

ECCLESIASTES 1: 12-18

The Grief of Wisdom

¹² I, the Preacher, was king over Israel in Jerusalem.

¹³ And I set my heart to seek and search out by wisdom concerning all that is done under heaven; this burdensome task God has given to the sons of man, by which they may be exercised. ¹⁴ I have seen all the works that are done under the sun; and indeed, all is vanity and grasping for the wind.

¹⁵ What is crooked cannot be made straight, And what is lacking cannot be numbered.

¹⁶ I communed with my heart, saying, "Look, I have attained greatness, and have gained more wisdom than all who were before me in Jerusalem. My heart has understood great wisdom and knowledge." ¹⁷ And I set my heart to know wisdom and to know madness and folly. I perceived that this also is grasping for the wind.

¹⁸ For in much wisdom is much grief, And he who increases knowledge increases sorrow.

BUILT FOR ADVENTURE

PAJERO SPORT

The Mitsubishi Pajero Sport is built to help you escape the everyday humdrum and ignite a spirit of adventure. This model is not a run-of-the-mill SUV, this is the real McCoy!

A quote from Len's pen:

This model is not the run-of-the-mill SUV, this is the real McCoy! I could satisfy my own ego behind the wheel, but this McCoy is different. I enjoyed going through the variety of electronic features in the luxurious comfort of a real SUV 4x4, one of the best in it's class, with all the bells and whistles. Driving it and meandering through town is a breeze. On the open road it is a joy with excellent road handling and exceptional acceleration for passing other traffic. At 120 kilometres per hour, on and off-road it has a bit of body roll presumably due to its stiff sport suspension. The suspension serves to give it firm stability on the corrugated surface of a gravel road and it sits confidently around the tightest bends in 4H-drive. I personally would recommend this SUV for the adventurous family man.

Its sleek lines and ultra-modern design make it a beautiful high-performance machine built for the whole family as it has a spacious interior that can seat up to seven adults. The versatile space can be configured to maximise passenger or cargo space to suit the occasion.

The safety features are of the highest quality. The vehicle is built with Mitsubishi Motor's reinforced impact safety evolution (RISE) body construction and equipped with the latest safety technology.

The safety features include seven airbags, active stability and traction control, an anti-lock braking system, break assist systems, and a hill start assist system. In addition, the ISOFIX child seat anchor points will keep the little one safe. Extra features to enhance the relaxed riding experience include rain sensing windscreen wipers, rear park distance control, and dusk sensing headlamps.

Enjoy the magnitude of features like the powerful 2.4l MIVEC turbo diesel engine with an all-new

eight-speed automatic transmission with intelligent shift control that delivers an optimum balance of engine power, fuel economy and interior quietness with smooth acceleration at low engine revolutions.

It also has electronic off-road assistance to further enhance your off-road experience. With the twist of a button you can move swiftly between two-wheel drive highway performance to rugged four-wheel drive mode traction.

This model has combined decades of off-road expertise and cutting-edge technology to fuse elegance, space, and safety for urban driving without losing the agility for off-road excitement.

Book your test drive today at Maemo Motors on the corner of the N4 and R24, Waterfall East, Rustenburg or contact them on 014 537 6700.

SA RUGGAS

Sharks vs Lions

Die telbord wys 16-13 in die guns van die Haaie maar wragtig **ou grote**, hierdie is nie 'n *game* wat hulle verdien het om te wen nie. 'n Gelykopuitslag sou meer die ware weergawe wees. Elton Jantjies kon die *game* dalk gelykop getrek het as hy sou besluit om 'n strafskop pale toe te neem maar eerder 'n skrum verkies wat toe rampspoedig afgeloop het.

Die Leeus speel Saterdag 19:00 teen die Stormers in Kaapstad. Die Haaie verdien 'n loslootjie en moet dalk hulle skrums gaan oefen.

Bulle vs Griekwas

Op Loftus moes die Bulle hard werk om die Griekwas 30-23 te troef. Dit was nie juis *ruggas* om oor huis toe te skryf nie. Bra Jake meen sy outjies het karakter gewys maar dis ook omtrent al wat hulle gewys het.

Vrydagaand 19:00 draf die Bulle teen die Cheetahs in Bloemfontein uit. Die Griekwas gaan in Kimberley teen die Pumas uitdraf.

Cheetahs vs Pumas

Van die "katgeveg" is daar maar min gesien want die Cheetahs was eenvoudig net te sterk vir die Pumas. Die rustyd telling was reeds 41-3 in die Blikore se guns met Oom Jimmy se bloeddruk die hoogte in.

Die Cheetahs druk agt drieë met Malcolm Jaer wat drie keer oorgaan. Hierdie jong vleuel het 'n puik *game* gehad en sy jong spanmaat Junior Pokomela het getoon dat hy Bokmateriaal is. Junior het op flank soos 'n senior gespeel en het gekook **ou grote**.

Die Cheetahs speel Vrydagaand 19:00 teen die Bulle in die Rosestad. Die Pumas moet Kimberley toe reis om teen die Griekwas te loop speel.

INTERNASIONAAL

All Blacks vs Wallabies

In die eerste toets van 2020 kon geen mens vir meer drama gevra het nie **ou grote**. In Wellington eindig die telling 16 elk. In die 86ste minuut tref Reece Hodge se strafskop poging die regoppaal wat die Aussies van 'n geskiedkundige oorwinning weerhou.

In die algemeen is goeie *ruggas* gespeel. Die Aussies lyk na 'n veel beter span onder die sweep van Dave Rennie.

Die twee aartsvyande sit hulle stryd voort op Edenpark waar die All Blacks vir die laaste 26 jaar nie verloor het nie. Rekords is gemaak om te breek...

Matigheid en lekker braai ouens...

Nag ou grote...
