Jacomien (Terblanché) Botha is op Dinsdag 10 Augustus oorlede. Sy was wel bekend in die Thabazimbi, Northam, Setaria en Amandelbult gemeenskap waar sy vir baie jare gewoon het. As 'n oud-inwoner van Thabazimbi was sy 'n leerder van Hoërskool Frikkie Meyer. In 2013 het sy na Brits verhuis waar sy gewoon het tot haar afsterwe. Sy los haar drie dogters, kleinkind, haar verloofde en susters agter. Familie en vriende wat kontak verloor het met Jacomien deur die jare word gevra om asseblief met haar dogter, Jacki Lategan kontak te maak op 060 951 0225. Die familie sal graag van hul ma se vervreemde vriende en familie wil hoor. Begrafnisreëlings sal later bekend gemaak word.

Paul Roodt, 'n groot musikant en geliefde Rustenburg-inwoner is op Saterdag 6 Augustus oorlede. Hy het 'n vol lewe gelei en sal onthou word as 'n gedissiplineerde, humoristiese en eerlike man wat diep spore in sy gemeenskap getrap het.

Paul het sy vliegtuig, 'n Bosbok verkenning vliegtuig, by die Suid Afrikaanse Lugmag in 1991 gekoop. Hy het in dié vliegtuig leer vlieg en so sy vlieg lisensie bekom. Hy is seker die eerste siviele vlieënier, indien nie die enigste nie, wat op dié vliegtuig tipe leer vlieg het. Die Bosbok is 'n gevorderde stertwiel tipe en Paul het sy vernuf in vlieg getoon deur sy lisensie hiermee te bekom.

Hy was ook 'n kranige konsertina en baskitaar speler en was vir etlike jare telkens eenparig as president vir die Boeremusiek Gilde van SA gekies. Hy was ook baie lief vir visvang en het gereeld op die kus sy lyn gegooi. Werner Terblanche, vir wie Paul soos 'n mentor was, het die volgende boodskap gedeel: "Hy was 'n ware heer en 'n man van oneindige kennis. Daar waar Oom Paul was, het hy diep spore gelos. Oom Paul was my konsertina mentor, maar meer as dit... Hy was my lewensmentor, hy het my geleer om lief te wees vir my instrument en te luister na die lig en donker van die harmonies. Baie ure se kuier en gesels, luister na musiek en lag het Oom Paul vir my so baie in die lewe geleer. Steeds voel ek selfsugtig om te sê ons tyd saam was te min. Oom Paul het my geleer om trots soos 'n man van Derby te leef."

Hy was vir die laaste agt maande van sy lewe met Charlotte getroud en het haar twee kinders liefgehad soos sy eie. Sy familie sal hom onthou as 'n geliefde eggenoot en beste vriend wat onvervangbaar is. Sy teraardebestelling sal plaasvind op 17 Augustus te Derby.

# EIGHT ATTACKERS AMBUSH FAMILY

**Rustenburg** – A family was ambushed by eight men while returning to their home in a Safari Gardens complex on Wednesday 11 August. Police spokesperson captain Elsabé Augoustides confirmed that they were confronted by the assailants in the parking area outside. Three of the robbers forced the father into the house while

the other five attackers stayed with the remaining victims in the car. They forced him to open the safe and after discovering that there was no money in it, they demanded all the cash in the house or, as they threatened, “we will kill your children”. He handed them all the money he could gather.

Suspecting something might be wrong, neighbours went to check what the uproar was about. When the robbers realised that they were seen, they fired three shots before fleeing the scene in a white Toyota Corolla. Police are investigating a case of armed house robbery. No suspects have been arrested yet.

# FDI 101 – Understanding the Fire Danger Index

Colour	Value	Fire Danger	Fire Prevention and Preparedness measures Prescribed in the ACT
BLUE	0-20	Low	No precautions necessary
GREEN	21-45	Moderate	Fires, including prescribed burns, are allowed in the open air on condition that all reasonable precautions are taken against the fires spreading
YELLOW	46-60	Dangerous	<b>No fires</b> are allowed in the open air except those that are authorised by the Chief Fire Officer
ORANGE	61-75	Very Dangerous	<b>No fires</b> may be allowed in the open air under any circumstances.
RED	>75	Extremely Dangerous	<b>No fires</b> may be allowed in the open air under any circumstances, and special emergency fire preparedness measures must be put into place

**Rustenburg** – The Fire Danger Index (FDI) is a value between 0 and 100 that tells us how dangerous fire conditions are on any one day. The calculation of the index takes into account: temperature, wind speed, relative humidity and previous rain. It functions as a warning system and is not a substitute for common sense and vigilance. Everyone has to comply with the restrictions of the FDI – whether you are a Fire Protection Association member or not. It is a criminal offence to start, or allow a fire to spread, when the FDI is orange or red. Compliance with the FDI will influence legal and insurance claims. **For the past week, Rustenburg has been fluctuating between yellow and orange.** This basically means that its either dangerous

or very dangerous to start an open fire. You can find the daily colour-coded map on the South African Weather Service website or become a member of the Greater Rustenburg Fire Protection Association (GRFPA) where the FDI 'colour of the day' will be sent via WhatsApp directly to your cell phone every day during fire season (winter months). It is advisable for every owner on whose land a veldfire may start or burn or from whose land it may spread, to belong to an FPA. Landowners within the areas of the Rustenburg Local Municipality (RLM) or Mooiwooi may join the GRFPA.

If you come across and open fire you can contact the Rustenburg Fire Department on 014 590 3232 /3333/ 3444. For more information on the GRFPA visit their website <https://www.grfpa.org/>.

**IMPROVING LIVES THROUGH INNOVATIVE WATER MANAGEMENT**

Glencore partnered with GreenSource to install water collection systems at three local schools close to its operations in the North West Province.

Rainwater is stored underneath soccer pitches, which is treated until potable, then made available to the school and the wider community. This means learners and nearby community members have access to clean drinking water, as well as being able to play soccer on astro turf.

The positive way in which previously unused rainwater is now innovatively managed, constitutes a crucial contribution towards improved standards of living in communities near our operations.

This is a Glencore story.

# Medupi explosion, but the lights are still on?

[Letter to the editor]

By the looks of it, Eskom's Medupi Unit 4 explosion on Sunday 8 August could cost up to R2billion, and take more than two years to repair – on the taxpayer's time and dime... One of the news agencies even quoted an expert saying that it would cost ten times that. Weirdly enough, when the Medupi blast occurred, this massive dry-cooled coal-fired power station in Lephalale, the world's fourth largest... it was not followed by load-shedding. What's up with that? I am glad to hear that no injuries were reported... but how can we believe it? There was a massive explosion, and we weren't dumped into any load shedding level... Odd don't you think? Usually when the wind changes direction or the cat washes its ears, there's load shedding... but Ripley's believe it or not... no load shedding! Makes me wonder what contribution Medupi really makes to the power grid...? And then Eskom went and opened a criminal case of malicious property damage... against some of their own employees! What on earth is going on there? 'Well, if we can blame someone... then all is well...' – is this a good enough strategy? I am no engineer... but I don't think any right-thinking person would intentionally blow up a generator or anything else for that matter at a power station without the intention to die as a kamikaze. O! and wait for it... Eskom said they opened a criminal case, but they 'didn't mean' that it's necessarily sabotage. That brings me back to... What is really going on there?

# POPULAR ACTOR'S KILLERS HANDED LIFE

**SA** – The five men found guilty of the murder of Rhythm City actor Edwin Dumisani Masilela were each handed a life term by the Pretoria High Court on Wednesday 4 August. Bongani John Masombuka, Sfundo Harrison Nkosi, Khumbudzo Solomon Mukhuba, Brien Makhubedu and Mashudu Malema were sentenced to a further 175 years after they were also found guilty of kidnapping, the possession of a firearm, possession of ammunition, theft, robbery with aggravating circumstances and attempted robbery. In August 2017 the five, who were spotted in a Toyota Quantum, pointed a firearm at a man before robbing him of his off his Jeep Wrangler in Daveyton (Gauteng). National Prosecuting Authority spokesperson Lumka Mahanjana said the five, who travelled

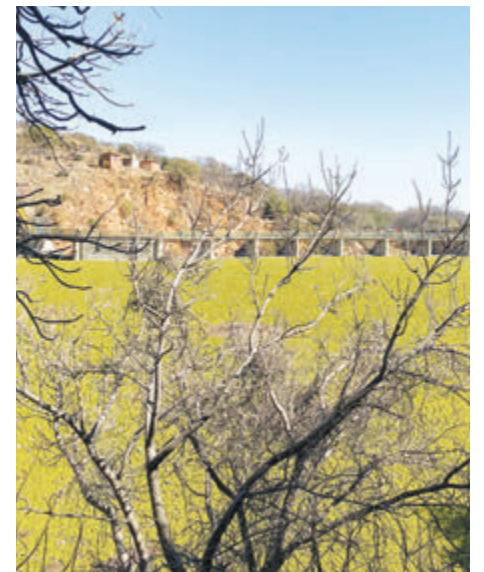

to Tembisa using the two vehicles on the same day, then approached Masilela while he was in his vehicle. "They stopped the Jeep and Mukhuba got out of the car and approached the Golf 7 in an attempt to rob the owner at gun point. Masilela, who was driving the car, managed to drive off but Mukhuba fired at the moving car. The bullet hit Dumisani and he later died at the hospital." Police investigations led to Mukhuba's arrest on Saturday 7 August for possession of an unlicensed firearm. • The other four fled to Rustenburg, where they robbed another victim off his Ford Ranger. Masombuka was arrested in Rustenburg on 8 August in 2017 while Nkosi handed himself over to the police and was arrested seven days later.

A boat on Hartbeespoort Dam...

# A boat on a rugby field?

**Hartbeespoort** – If you have visited Hartbeespoort Dam recently, you most likely would have spotted the out-of-control water hyacinth, becoming a real eyesore. Those driving through Harties will be excused for thinking the dam to be a rugby field. Both the Madibeng Local Municipality and the national Department of Water and Sanitation have battled to eradicate the weed over the years. Its unsightly presence has taken the gloss of what is one of the most beautiful towns in the North West province. According to several experts previously involved in this hyacinth plague, the likelihood of completely eradicating it at Harties is growing increasingly slim.

Hyacinth, an invasive aquatic weed, has made Hartbeespoort Dam look like a rugby field (picture taken on Saturday 7 August).

# Well done SAPS!

## Business robbers caught

**Koster** – A general dealer in Koster was robbed by two armed men on Friday 6 August. According to police spokesperson captain Sam Tselanyane, the owner and two other people were busy in the shop when two suspects entered.

They pretended to be there to buy airtime before one of the suspects drew a firearm and pointed it at the owner. They took the victims' cellphones and an undisclosed amount of cash before fleeing the scene.

The owner rushed to the police station where he was able to give detailed information about the suspects. The station immediately mobilised units including the Rustenburg mounted and Koster detectives units. The suspects were traced along the R52 towards Rustenburg and were both arrested and charged with business robbery. Further investigations into the incident continues.

## A woman's worth

[Letter to the editor]

In today's hectic life, women have careers, raise children and are still the heartbeat of their families. How do they keep it up? How do they cope? The Lord shaped the woman like a diamond! Her soul is placed in her body like a rough diamond. It must be polished for the lustre to show. A diamond doesn't start out polished and shining. It starts off as carbon atoms, which, under enough pressure and time, becomes **spectacular!** How are diamonds formed? Diamonds are formed naturally in the earth's mantle under conditions of extreme temperature and pressure. Diamonds are formed and stored in these limited zones of the deep earth and delivered to the earth's surface through volcanic eruptions. These eruptions tear out pieces of the mantle and carry them to the surface.

It is the same **with** our lives, we go through trials and tribulations, yet God wants to form and polish us for a bright future, not only for our own benefit, but also for the benefit of others and to be a testimony. Allow God to shape and form you. When you fall, fall on your knees. It is on your knees that you will be filled with strength when you look and ask for it. Being on your knees is also about being humble. Don't confuse being humble with having a low self-esteem. A low self-esteem is not from God. God created you according to **His image.** Look in the mirror, you are **beautiful** and **perfectly** created. Proverbs 31:10: Who can find a virtuous wife? For her worth is far above rubies. Know your worth as a woman! You are a diamond and you are **spectacular!** **Shining Bright**

# SIBANYE-STILLWATER MARIKANA RENEWAL

**Rustenburg/ Marikana** – Sibanye-Stillwater continues its journey of collaboration with stakeholders for the renewal of Marikana. We believe that by co-creating a shared vision and delivering on tangible and sustainable socio-economic programmes for the benefit of local communities, a new legacy of healing and hope will emerge.

Launched in 2020 under the patronage of Archbishop Thabo Makgoba, under the themes of honour, engage and create, the Marikana renewal process acknowledges the events that took place in August 2012 and their impact, and calls on all stakeholders to work together to rebuild relationships and communities affected by the tragedy around the operations where the injured and deceased employees lived. In 2020, Sibanye-Stillwater engaged stakeholder specialist ReimagineSA to plan and undertake an extensive stakeholder engagement process aimed at finding ways to bring sustainability, healing and renewal to Marikana and beyond. At the heart of this process, known as the Letsema process, lies an inclusive approach to social and community facilitation through collaborative engagements, and to ensure the delivery of tangible and sustainable programmes for the benefit of the communities around Marikana.

*While the Letsema process is ongoing, we commemorate by sharing and reflecting on the stories which emanated from that tragic week in 2012.*

#### This is Matshepang Ntsoele's story

To honour the memory of those who passed away, we have committed to provide support to the widows and families by way of housing, education and employment. This is the story of Matshepang Ntsoele,

whose husband, Molefi Osiel Ntsoele, died in the tragic events of August 2012. She tells of her story of healing: "Pain is not the end of the of the road, it can be the beginning of a new journey, that you should not focus on the past but rather focus on the future."

# Don't you get tired of us complaining about Zinniaville's roads?

[Letter to the editor]

**Zinniaville/Rustenburg** – Please allow me to express our frustrations at the state of Mangaan and Quartzite Streets, Zinniaville.

For more than a month now, water has been flowing down these roads, causing extensive damage and posing dangers to motorists and the community. These roads are very busy and we are appealing to the Rustenburg Local Municipality to urgently repair the surfaces so that we can all be safe once again.

**Frustrated Motorist**

For years... concerns have been raised over the poor state of some roads in Zinniaville.

# O Griet, hier is a Muskiet!

[Skrywe aan die redakteur]

Ek dog ek verbeel myself met die zoom-zoom geluid hier by my oor. Maar o hete nee – dit was sowaar 'n winter muskiet wat my laaste bietjie bloed wou kom opslurp!

Die venynige klein bloedsuier se vlerkies wat hier by my kom zoei, het summier my stert in 'n krul getrek! Dis mos nog nie tyd vir dié tipe irritasie nie!

Of het die Augustus winde hulle van oor die waters gebring?

En nou sit ek en wonder, soos ek aan my pyp kou – diep ingedagte met Griet wat in die kombuis doenig is om allerlei muskietgoed bymekaar te skraap (al weet ons albei dis tevergeefs as hulle eers neersak op jou!)... kan 'n muskiet hierdie Covid-neentien virus oordra?

Ek hoor op die TV dat hulle nou besig is om Covid *vaccinations* te maak wat soos neussproei opgespuit en gesnuif kan word. Dan is dit seker ook moontlik vir 'n muskiet om die virus oor te dra? My oorle pa het altyd gese, pasop vir die winter muskiet; hy is die een wat die siektes gee. Maar wat weet ek?

## Supporting from a safe social distance

**Rustenburg** – The Athletics Northwest North Cross-Country League 4 took place at Bergsig Academy on Saturday 7 August. The athletes proved their mettle and while Covid-19 is still a reality, their fans complied

and gave their unending support from the comfort of their vehicles and sidewalks. This is once again a testimony to our country's adaptability and our willingness to make a plan to support each other.

### Have your say / Sê jou sê

#### Are you living up to your full potential?

**Do you consciously step outside your comfort zone and expand your boundaries? Extraordinary people do incredible things, get amazing results and live great lives. Are you on that path?**

No, I want create jobs. I want to change not only my life, but also make a change in the lives of others. It took me years to put together a formal company that would be able to offer various skills development programmes and services to the public, however, many doors have been closed in my face. I will bounce back!

**Anonymous**

No, I'm not living up to my full potential. I'm an entrepreneur, selling educational programmes for investing in forex and the stock market. I've been procrastinating and I'm too shy to get out of my comfort zone. I believe that if I step out of my comfort zone and take a leap of faith, I'll be recognised and known for changing people's lives.

**Tlameo Nchoe**

No, but I'm pushing towards achieving my goals and once I've done that, then I'll feel as if I've achieved my potential. My dream is to be a professional fisherman and a professional gamer (playing video games for a living). My gaming is going well, and I will soon be competing in my very first professional fishing tournament.

**Eben Herbst**

No. Not yet, because I have a dream of building a home for my family. I haven't achieved this yet, but it is something that I'm working towards realising. I strongly believe that I have the potential to achieve it.

### PSALM 18:1-12

<sup>1</sup>I will love You, O LORD, my strength.  
<sup>2</sup>The LORD is my rock and my fortress and my deliverer; My God, my [a]strength, in whom I will trust; My shield and the [b]horn of my salvation, my stronghold.  
<sup>3</sup>I will call upon the LORD, who is worthy to be praised; So shall I be saved from my enemies.  
<sup>4</sup>The pangs of death surrounded me, And the floods of [c]jungodliness made me afraid.  
<sup>5</sup>The sorrows of Sheol surrounded me; The snares of death confronted me.  
<sup>6</sup>In my distress I called upon the LORD, And cried out to my God; He heard my voice from His temple, And my cry came before Him, even to His ears.  
<sup>7</sup>Then the earth shook and trembled; The foundations of the hills also quaked and were shaken, Because He was angry.  
<sup>8</sup>Smoke went up from His nostrils, And devouring fire from His mouth; Coals were kindled by it.  
<sup>9</sup>He bowed the heavens also, and came down with darkness under His feet.

# WHAT'S *Cooking?*

**Faith Size, owner of Fayies Cakes, just loves creating beautiful cakes!**

*The best red velvet cake!*

**Rustenburg** – From a very young age Faith Size was in awe of the creations that bakers came up with when backing cakes. Combining her passion for baking and creativity, she started Fayies Cakes. She learned how to decorate the cakes artfully – while also tasting mouth-watering.

## Ingredients

- 2 cups all-purpose flour
- 1 teaspoon baking soda
- 1 teaspoon baking powder
- 1 teaspoon salt
- 2 tablespoons unsweetened cocoa powder
- 2 cups sugar
- 1 cup vegetable oil or canola
- 2 large eggs
- 1 teaspoon vanilla extract
- 1 cup buttermilk
- 1 tablespoon liquid red food colour or ½ teaspoon powder
- 1 teaspoon white vinegar
- 1 teaspoon bicarbonate soda

## Instructions

1. In a mixing bowl sift the flour, salt and cocoa powder. Set aside.
2. Beat the butter until soft, add sugar and beat until light and fluffy.
3. Add the eggs, one at a time, beating well after each addition.
4. Add the vanilla extract and beat until combined.
5. In a measuring cup, whisk the buttermilk with the red colour.
6. With the mixer on low speed, add the flour and buttermilk to the butter mixture in three additions.
7. In a small cup, combine the vinegar and baking soda, allow the mixture to fizz and quickly fold into the cake batter.
8. Working quickly, divide the batter evenly between the two prepared 8-inch round sandwich tins and smooth the tops with an offset spatula or the back of a spoon.
9. Bake at 180°C for 25 to 30 minutes
10. Cool the cakes in their tins for 10 minutes.
11. Once the cakes are completely cooled, wrap in plastic and place the cake layers in the refrigerator for at least an hour or overnight. (This is done to make filling and frosting the cakes easier).

**Tip: You can fill the layers and ice the cake with your favourite icing.** Buttercream is softer and more spreadable than most icing and is the preferred choice for taste and flexibility.

**SA vs Britse en Ierse Leeus**

Twaalf jaar later en Morné Steyn, effens gryser om die slape, bly weer koelkop en behaal die wenpunte met 'n puik strafdoel om die Bokke met 19-16 te laat wen. Sodoende het hul die reeks 2-1 beklink. Maklik was die toets nie ou groene. Dit was titanies en genadeloos en weer was daar nie plek vir sissies nie. Franco Mostert het sy beste toets ooit vir die Bokke gespeel en het Pieter-Steph du Toit se groot tokse fantasties gevul. Agterlangs het Cobus Reinach baie goed op *skrummie* vertoon. Damian de Allende was weer 'n meneer maar dit was Cheslin Kolbe se puik drie wat die koek gevat het. Kolbe het gewys hoekom hy as een van die bestes op planeet rugby is.

- Rassie Erasmus en kie het nogal verras met hul spankeuses vir die eerste toets teen die Pumas in die 2021 Rugby Kampioenskaps-reeks wat eerskomende Saterdag afskop. Slegs vier spelers wat in die toets teen die Britte gespeel het gaan weer uitdra. Hoop nie dié besluit gaan hulle in die hakskeen byt nie. In die eerste *game* van die reeks het die All Blacks die Wallabies 33-25 getroef.

**Impala ready for Eersterust clash**

**Rustenburg** – Impala rugby club will be hoping to use home advantage to collect maximum points when they take on Eersterust on Saturday 14 August. This Carleton Reserve League match was initially scheduled for Saturday 19 June but had to be postponed as part of measures to limit the spread of Covid-19. Impala have so far won two of their opening League encounters and have a good chance to go on top of the log standings.

“Whether we go on top of the League or not will depend on the outcome of the other matches. We will just focus on doing well against Eersterust,” club chairperson Wynand Burger told *Platinum Weekly*. Burger revealed that the team has been hard at training throughout the week as they look to strike the same form that saw them reach the heights of 2019 when the managed to win the prestigious Gold Cup. On Saturday 5 June, Impala recorded a 48 – 0 victory over Atteridgeville before powering to a 41 – 31 win over Tshwane University of Technology (TUT) a week later. Impala head coach Joel Scherman, together with Sydney Venter and Justin St. Jerry are hoping their charges will maintain their winning form as they continue with a rebuilding initiative that is aimed at taking the club back to its glory days.
