Wat is my regte wanneer ek in 'n motorongeluk beseer is?

Min dinge in die lewe is so traumaties soos om te beseer te word tydens 'n ongeluk. Het jy geweet ... Indien jy of 'n geliefde beseer is in 'n motorongeluk (behalwe wanneer die bestuurder die oorsaak van die ongeluk was), of indien jy 'n afhanklike is van 'n oorlede padongeluk-slagoffer, kan jy moontlik 'n eis teen die Padongelukkefonds indien. Die Padongelukkefonds is 'n openbare entiteit wat befonds word deur 'n brandstofheffing wat by die prys van petrol en diesel ingesluit is. Die doel van die Padongelukkefonds is om te vergoed vir verlies of skade as gevolg van ligamlike beserings weens die nalatige bestuur van 'n voertuig op Suid-Afrikaanse paaie.

Ná hoe lank moet ek 'n eis indien?

Indien die identiteit van die oortrede bestuurder of eienaar van die voertuig bekend is, moet die eis binne drie jaar vanaf die datum van die ongeluk ingedien word. Dit is nie van toepassing by die eis van 'n minderjarige nie. Indien die identiteit van die persoon onbekend is, moet die eis binne twee jaar ingedien word.

Waarvoor kan ek eis?

- 'n Eis kan uit die volgende bestaan:
- Gelede en toekomstige hospital- en mediese uitgawes
- Gelede en toekomstige verlies van inkomste
- Algemene skadevergoeding vir pyn, lyding en verlies van lewensgenietinge.
- Gelede en toekomstige verlies van onderhoud in die geval van die afhanklike van 'n oorlede slagoffer

A sad day for illegal mining

Six 'zama zamas' fatally wounded and more than 30 arrested

Orkney – In a bid to address illicit mining activities, the Dr Kenneth Kaunda District Illegal Mining Team comprising of various units such as Public Order Police (POP), Detectives, Organised Crime, National Intervention Unit and Forensics, working together with other role players including mine security, arrested 35 suspects for attempted murder, causing an explosion, malicious damage to property and conspiracy to commit crime on Wednesday 6 October.

The suspects were arrested at No. 6 Lawrence Park ventilation shaft in Orkney and the vicinity. The arrests came after a group of approximately 300 illegal miners commonly known as 'zama zamas' attacked and shot at the security officers and later the police in an attempt to forcefully provide foodstuffs to their fellow illegal miners who were underground.

The shooting incidents that unfolded at about 18:30 led to the deaths of illegal miners. Four bodies were found in the vicinity of

the shaft, one was found approximately 800 metres from the crime scene while the sixth one was found in the bushes near Kanana Location. Several food parcels and two firearms were found at the crime scene.

The Independent Police Investigative Directorate (IPID) officials were immediately summoned to the scene.

The arrests and shooting incidents came after a decision by the mine management to clamp down on illegal mining activities by closing the ventilation shaft which the 'zama zamas' had been using to enter and exit various shafts. The action effectively stopped the supply of foodstuffs and water to the 'zama zamas'. Consequently, some of the illegal miners voluntarily and due to shortage of food and water, used explosives to open a hole and started to exit the shaft on 2 October. On 3 October, more than 500 had already exited the shaft. They were thoroughly processed including being medically examined for dehydration before being released. Some were treated by

paramedics while a few others were taken to hospital.

Although nobody exited on Monday and Tuesday, the 'zama zamas' exited again on Wednesday afternoon, 6 October 2021. It was at that stage that some of the illegal miners launched an attack which resulted in the deaths.

The arrested suspects are expected to appear in courts soon and the DPCI took over the investigation. The Provincial Commissioner of Northwest, lieutenant general Sello Kwenza condemned the carelessness of the alleged illegal miners and indicated that no amount of force will deter law enforcement to do their work. He also urged members of the community to remain calm and work together with the police in ensuring that those who brazenly commit crime including illegal mining are arrested.

The team is still maintaining their presence in the area to ensure calm.

Extracts of SAPS press release

Sibusiso is going to Sun City!

Our first winner – Sibusiso Shabalala.

Rustenburg/ Sun City – Sibusiso Colleen Shabalala was the first winner in the Sun City and *Platinum Weekly* competition.

For his entry, he shared his best summer holiday memory. "I was only 6 years old, but I still hold the memories dear to my heart. It was the last holiday I got to share my dearly departed father. It was our first time at Sun City, so my mother played a lot in the water, but got the flu the next day. She still says that it was all worth it!" Sibusiso said. He now plans to create more memories with his partner at Sun City. Congrats Sibusiso!

Rustenburg – The annual get-together of the people illegally occupying portion 1 of the farm Rietvlei 271, Rustenburg (along the N4 close to Ananda) ended the same as it usually does.

Every year people come from afar to join in on the illegal occupation, new friendships are formed and existing ones are strengthened. A lot of money is also spent on fuel and building material which are eventually just destroyed by the TLBs of the municipality.

On Wednesday 6 October 2021 the latest structures were removed, and the people were dispersed. This piece of land has been targeted since 2016.

When they tried again in 2018, the Rustenburg Local Municipality (RLM) obtained a court order to have the trespassers evicted.

On 11 September 2021 they again attempted to illegally occupy it. RLM again turned to the courts and obtained another eviction order that was served by the Sheriff on 3 October. According to the court order the occupants of the land had three days to vacate, failing which, the South African Police Service and the municipality had the right to act on the court order, and remove them forcefully. Even after the court order was served, various cars and trucks with building supplies were still seen entering the property...

RLM spokesperson Thapelo Matebesi says in a press release: "The RLM has followed every step of the land invasion eviction procedure. Subsequently, forceful evictions had to be carried out after invaders failed to comply with the court order within the three days allowed by the court. The eviction process unfolded as expected, with no unusual incidents. This was done to uphold the rule of law, as well

The entrance to the piece of land which has been illegally occupied several times over the past few years.

as not to set a precedent for such unlawful actions in the future".

On the day of the eviction and with the assistance of Public Safety, police and various community watch groups blocked the roads leading to the occupied land. National Crime Assist (NCA) members kept watch on the adjacent farms, to protect lives and property in the event of tensions boiling over. Once the TLBs moved in, all those trespassing on the property dispersed. However, the very same evening a large group of vehicles started gathering at the same spot, and left again, and as we started getting ready to go to print on Thursday evening, 7 October, reports came in of the property being invaded again...

Platinum Weekly talked to Democratic Alliance ward 16 councillor Johan Cronje.

Adding fuel to the fire. Fires were set and tyres burned near the back entrance to the property to try and prevent the TLB's from entering.

"There are displaced people in the Rietvlei area. My predecessor identified a portion of land in 2016 where they can be relocated to.

There, they will have access to services, be on transport routes and have a chance at a better quality of life. That proposal to council (item) was rescinded in 2019. I did oppose the decision of council, and since then, it has been back and forth. All attempts to assist these people have been blocked at every corner because there are people who want to use them to capitalise and monopolise the situation for personal gain," he said.

Land ownership has been a burning issue and in the end we all just want our own property – a place that we can call home.

For the people in Rietvlei who have been displaced, it has been an ongoing struggle. Many of them worked on nearby farms which were sold over the years and by now, many of these people have nowhere else to go.

Their desperation has been exploited by certain parties for their own financial gain. The photos of people who staked their claim at this targeted piece of land show well-to-do people, driving expensive cars.

Various illegal structures were erected on the property.

SOULFOOD

PSALM 37 VERSE 1-13

¹Do not fret because of evildoers, Nor be envious of the workers of iniquity. ²For they shall soon be cut down like the grass, And wither as the green herb. ³Trust in the Lord, and do good; Dwell in the land, and feed on His faithfulness. ⁴Delight yourself also in the Lord, And He shall give you the desires of your heart. ⁵Commit your way to the Lord, Trust also in Him, And He shall bring it to pass. ⁶He shall bring forth your righteousness as the light, And your justice as the noonday. ⁷Rest in the Lord, and wait patiently for Him; Do not fret because of him who prospers in his way, Because of the man who brings wicked schemes to pass. ⁸Cease from anger, and forsake wrath; Do not fret - it only causes harm. ⁹For evildoers shall be cut off; But those who wait on the Lord, They shall inherit the earth. ¹⁰For yet a little while and the wicked shall be no more; Indeed, you will look carefully for his place, But it shall be no more. ¹¹But the meek shall inherit the earth, And shall delight themselves in the abundance of peace. ¹²The wicked plots against the just, And gnashes at him with his teeth. ¹³The Lord laughs at him, For He sees that his day is coming.

A round of golf for a good cause

Rustenburg – Spes Bona is a non-profit organisation with a residential facility that provides safe, quality accommodation to persons with disabilities. Spes Bona is a safe haven – as the residents – due to personal, social, health or other reasons, have no other place to live. They currently care for 65 patients and provide daily necessities – an expensive process. Essential items like nappies can cost about R10,000 a month. And with most of the patients only receiving a grant with no medical aid... securing funds are a daunting task. The facility is also in need of serious maintenance but with no funds to spare, this project has to take the back seat. **To raise funds, Spes Bona will host a golf day at the Rustenburg Golf Club on Friday 12 November.** It will be a fourball alliance two score to count. A fourball entry is R3,200 and includes a goodie bag, registration, Build-a-Burger and cold drink. There will also be platters served during the prize giving – with lots of prizes to be won. If you're not one to swing the club, donate prizes, donate money or participate – every cent helps! **For more information regarding bookings or to sponsor a hole contact Elba Muller on 082 813 7455 or Harry Boersma on 076 582 0525. Donations and sponsors can contact Flippie Fourie on 082 930 0446 or spesbona11x6@gmail.com. A section 18A certificate can also be issued if required.**

ULTIMATE RUGBY CHAMPIONSHIPS

Die afgelope naweek was maar weer beroerd vir die vier SA spanne in die Ultimate Rugby Championships (URC). Nogal vreemd dat die vier afrigters eens is met die feit dat die spelers nou baie vinnig sal moet begin aanpas, anders gaan die toer tragies eindig ou grote! Baie opmerkings langs die braaivleisvure word gemaak. Dit is waar dat die Noordelike spanne ook 'n moeilike toer later vanjaar hier op tuisbodem gaan beleef, maar die realiteit is om nou te fokus op die games wat voorlê.

Uitslae:

- Connacht 34 -7 Bulls
- Scarlets 36 - 13 Lions
- Benetton 28 - 27 Edinburgh
- Glasgow Warriors 35 - 24 Sharks
- Zebre 3 - 36 Ulster
- Ospreys 18 - 14 Cardiff
- Munster 34 - 18 Stormers

RUGBY CHAMPIONSHIP

Australië vs Argentinië
 Die Wallabies klop die Pumas weer gemaklik met 32-17 en eindig dan tweede op die puntetabel in 2021. Die Wallaby vleuel Andrew Kellaway het 'n goeie dag op kantoor gehad en word beloon met 'n driekuns. Die Aussies speel tans goeie ruggas en gaan beslis met baie meer selfvertroue die Europese manne later vanjaar laat les opsê. Vir die Argentynse-afrigter korps lê daar nog baie werk voor...

NZ vs SA
 Die Bokke verras vriend en vyand en klop die All Blacks 31-29. Die toets was weer brutaal en geen genade is gevra of gegee nie. Definitief een van die mees spannende en beste toetse van die eeu! Bloed het soos sweet gevloei maar klipharde ruggas tussen hierdie twee is maar altyd aan die orde van die dag. Die skoen was nou aan die ander voet, en Elton Jantjies klits 'n strafdoel deur die pale in die 82ste minuut. Die Bokke het strate beter gespeel met Duane Vermeulen wat die groot vonk en yster vir die Bokke was. Vermeulen was goed bygestaan deur Kwagga Smith. Jacques Nienaber het sy plaasvervaardigers meesterlik aangewend. François Steyn wat die sukkelende Willie le Roux net na halftyd vervang het, was die verskil tussen wen en verloor ou grote. Welgedaan Bokke!
Nag ou grote...
