BEWARE OF ELECTRICITY SCAMS!

Rustenburg – In a digital age where offers and deals dominate our social media feeds, it's essential to tread carefully. Numerous individuals have been advertising seemingly attractive deals on electricity at astonishingly low prices. With just a simple Facebook search of 'cheap electricity for sale' followed by your region, a slew of pages surface, promising rates as compelling as R150 for 800 units, R200 for 1200 units, and so forth. But, as the age-old saying goes, "if it sounds too good to be true, it probably is".

Determined to uncover the reality of these deals, *Platinum Weekly* decided to delve deep and play the role of a buyer on Wednesday 6 September 2023. The transaction was simple: R100 for 600 units. Once a deal was struck, the scammer shared a photo of the supposedly valid token, and conveniently blurred a digit to "ensure" security until payment was made. However, once the payment was made, and the full token was delivered, our meter rejected the code.

The excuses began pouring in, from blaming a faulty meter to claiming our meter wasn't registered. Promises of a new token soon followed with slower responses, and finally, silence, although curiously, the scammer never blocked our number. Perhaps, retaining an air of authenticity? Or maybe pure indifference?

As life gets more expensive and times remain challenging, it's only natural for individuals to seek cost-effective alternatives. Yet, *Platinum Weekly* cannot stress enough the importance of not falling for such deceitful lures. The only genuine body that can influence electricity costs in South Africa remains the National Energy Regulator of South Africa (NERSA). So, before you think you've struck gold with a cheap electricity deal, you might just find you've unwittingly connected to an illegal source. Stay vigilant, readers!

Wyle Sarah Margaret Mary Steynfaard

In Herinnering

Sarah Margaret Mary Steynfaard
(Tokkie, soos sy liefdevol bekend gestaan het)
Gebore: 30 Mei 1934
Oorlede: 11 September 2023

Tokkie was die hartklop van haar familie. Die goeie stryd wat sy gestry het, waarin haar geloof, krag en liefde altyd 'n groot rol gespeel het, mag dalk nou - hier op aarde - verby wees, maar haar nalatenskap leef voort.

Sy het as die moeder van ses kinders en die rots van haar gesin gestaan, en selfs na die afsterwe van haar man, sonder om enige iets terug te verwag, het sy nooit opgehou om liefde en sorg uit te deel nie.

Haar huis was altyd oop, of dit nou vir haar talle kleinkinders, agterkleinkinders, of die verbyganger met 'n af vlekke of honger kol op die maag was. Al het jy nooit haar huis met 'n leë maag of hart verlaat nie, het sy nie geskroom om jou te roskam as jy dit nodig gehad het nie.

Met 'n sin vir humor wat altyd die kamer laat skater het, was Tokkie 'n bron van vreugde vir almal om haar. As 'n vurige kind van die Here, het sy in elke daad en woord Sy liefde weerspieël.

Sy was nie net deel van die lewens van haar eie kinders nie, maar was soos 'n moeder vir vele, en het 'n onuitwisbare merk in die harte van haar kleinkinders gelaat.

Sy was 'n pilaar van krag, standvastigheid en liefde - gereed om te dissiplineer waar nodig, maar altyd met liefde.

Tokkie het 'n spesiale liefde gehad vir haar tuin en alle diertjies, van hoenders tot eendjies.

Die wêreld mag 'n bietjie donkerder wees sonder haar, maar ons sal Tokkie vir ewig in ons harte dra. Haar lig sal aanhou skyn in elkeen van ons.

TENSIONS RISE IN SIZA

Rustenburg – Police in the Bojanala Platinum sub-district 2 and Boitekong are still monitoring the situation at the Siza informal settlement following a fight that flared up between Siza locals on Tuesday 5 September and Wednesday 6 September 2023. At this stage, approximately 10 places of living have been set alight. However, the exact number is still to be confirmed. It is suspected that the violence flared up due to stock theft, but this could not be confirmed at the time of going to print. “A case of public violence, and a case of arson has been opened, but no arrests have yet been made,” said police spokesperson colonel Adele Myburgh.

Woman dies on corner of Byron and Oxford Streets

Rustenburg - According to information received, a woman was at the corner of Byron and Oxford Streets in Rustenburg North when she collapsed on Wednesday morning 13 September 2023. Community members called emergency responders, but the woman was declared dead on scene by paramedics. “The cause of death has not yet been confirmed,” said police spokesperson sergeant Ofentse Mokgadi, “From police observation, there does not appear to be any foul play, and the woman’s possessions such as her handbag and money were still on her person. Police are investigating a case of inquest to determine the cause of her death”.

TEEN FACES COURT AFTER RUSTENBURG BUS RANK TRAGEDY

Rustenburg - In an incident that rocked the community of Rustenburg, a local youth, accused of fatally stabbing a schoolboy, made a brief appearance at the Rustenburg Magistrate’s Court on Wednesday 6 September 2023. Blessing Tladi (19) stands accused of stabbing an 18-year-old schoolboy to death. The incident, which transpired at the Rustenburg bus rank in June, saw the victim sustain a lethal stab wound to the throat. North West police spokesperson, captain Sam Tselanyane, shared that the local police force were alerted to the scene on the afternoon of 2 June. On their arrival, they were met with a crowd of onlookers surrounding the lifeless body of the young boy, which was covered with a blanket. “Tladi has been denied bail and will remain in custody. The case has been postponed to 27 October, allowing for further police investigations,” said National Prosecuting Authority North West regional spokesperson Henry Mamothame.

OPERATION SHANELA YIELDS SUCCESS!

North West - Operation Shanela’s high density operations conducted in the North West province yielded success when 673 suspects were arrested for numerous crimes from Thursday 7 September to Sunday 10 September 2023. 85 arrests were made for drug-related offences, 13 for dealing in liquor, 27 for driving under the influence of liquor, 15 for possession of firearms and ammunition, and 31 were undocumented persons who were handed over to the Department of Home Affairs for further processing.

“A further 176 arrests were made for serious and violent crimes that included 8 murders, 5 for armed robbery, 147 for assault with the intent to do grievous bodily harm (GBH) and 16 for gender-based violence (GBV),” said police spokesperson colonel Adele Myburgh. The Provincial Commissioner of North West, lieutenant general Sello Kwena, said the police will continue to work hard to ensure that the province is safe for all inhabitants.

Fatal accident on Dr Maroka Drive

Rustenburg – A devastating accident transpired on the evening of Saturday 9 September 2023, at the Doctor Maroka Drive slipstream on the N4. The mishap led to one fatality and left four others injured.

A grey sedan involved in the catastrophic incident on Dr Maroka Drive.

The collision involved a grey sedan and a white bakkie. The sedan was carrying three occupants, one of whom met a tragic end. The white bakkie was occupied by two individuals. Reyno Dempers, the special operations manager from Trauma Rescue, shared his insights: “I am not sure what happened, but it looked like the sedan tried to execute a U-turn on the N4. This manoeuvre caused a direct T-bone collision between the sedan and the bakkie.” He added: “The primary cause of such accidents is often vehicles attempting U-turns on main roads. People travel at high speeds on the N4. When a vehicle makes an unexpected U-turn and another collides with it, the result can be an impactful crash that inflicts severe or even fatal injuries.” The initial accident triggered another vehicle accident approximately 200 meters further on the N4. An eyewitness, deeply shaken by the accidents, remarked, “It was the most harrowing accident I’ve ever seen, with vehicles scattered across the field and roadway. The scene was inundated with emergency services. Everyone, please stay safe.”

DRUG DEALER ARRESTED

Rustenburg - With the aid of community members, a 35-year-old Nigerian national was arrested at Reutwile informal settlement for drug possession and dealing on Tuesday 12 September 2023. The suspect was further charged with contravening the immigration act after failing to produce his passport. Bojanala Platinum sub-district 2 Brigadier Mamotsamai Ntoagae praised and thanked the community of Reutwile and encouraged them to continue assisting the police. The suspect is expected to appear before Rustenburg Magistrates’ Court on Thursday 14 September 2023.

Prompt Response by Fidelity ADT Foils Burglary

Rustenburg - At approximately 07:59 on Sunday 10 September 2023, Fidelity ADT successfully apprehended a burglary suspect on Olienhout Street in Protea Park.

Reaction officer Makhetha was dispatched to the scene following an alert. Upon arrival, he parked his vehicle at a safe distance and proceeded to inspect the premises. During his inspection, he noticed an individual attempting to flee the premises with a blue toolbox. The suspect was promptly apprehended by officer Makhetha. The homeowner confirmed that the toolbox belonged to him. On further investigation it was discovered that the suspect had entered the garage through an unlocked garage door and had stolen the toolbox.

The suspect was handed over to sergeant Mogotsi of Rustenburg South African Police Service (SAPS).

Charnel Hattingh, group head of marketing and communication of Fidelity ADT says: “Perimeter security and access control remains the first and most powerful line of defence. We urge all homeowners to consider installing outdoor detection devices and perimeter security to reduce the chances of criminals reaching your property and gaining access to your home. It needs to be seen as an investment not only in your assets but in your family too”.

Here are some security essentials to remember:

- Ensure to arm your alarm not only when you leave your home/premises but when you are at home.
- Windows should be secured with beams or strong burglar proofing and doors should be secured with security gates.
- Always secure your perimeter!
- Report anything suspicious to your security service or SAPS immediately.

“Fidelity ADT continues to work closely with local law enforcement agencies to ensure the safety and security of all residents in Rustenburg,” concludes Hattingh.

Fidelity ADT, press release, September 2023.

Reaction officer Makhetha was dispatched to the scene following an alert.

The toolbox was returned to its owner.

The suspect was handed over to Rustenburg SAPS.

PILANESBERG FIRES PUSH RESPONDERS TO THEIR LIMITS

Responders worked tirelessly to control and subdue the fires.

Thousands of hectares within the Pilanesberg Game Reserve have been reduced to ashes.

Rustenburg - In a span of mere weeks, the serene Pilanesberg Game Reserve has witnessed devastating fires that have scorched vast swathes of its land, creating an ecological catastrophe that threatens not just the flora and fauna, but also the very soul of this paradise.

From Monday 21 to Wednesday 23 August 2023, an inferno raged across the reserve, charring approximately 6,000 hectares of land. This blaze saw the collaborative might of Rebel Fire Assist, Pilanesberg Wildlife Trust, Potchefstroom and Magaliesburg Working on Fire (WoF), and the North West Umbrella Fire Protection Association, which sponsored two helicopters for water drops and one spotter plane. More than a hundred water drop were done, with each water drop consisting of approximately 1,000 litres of water.

The resolve of these brave responders was further tested when on 5 September, another consuming fire began, this time reducing a heart-wrenching 8,000 hectares to ashes. Petra Rough, the Rhenosterfontein/Zuurplaat cluster manager, aptly described the situation: “Access to combat the fire was difficult... with the current winds we are up against tremendous odds; all fires in the game reserve were started by negligent community members who reside on the borders of the reserve, and we don’t know how to stress the issue enough that no waste should be burnt until the end of the fire ban which is 31 October—or

until the first 21 mm rainfall has been received!”.

According to Petra, not only were the physical barriers challenging, but the presence of frightened wild animals, displaced and disoriented, posed a threat to the firefighters. Guards from the Pilanesberg Game Reserve worked tirelessly to ensure the safety of these heroes from the unpredictable behaviour of these animals. The fire was combated by Rebel Fire Assist, Pilanesberg Wildlife Trust, Copenhagen Zoo, and the Royal Bafokeng Mine’s fire rescue services, and was finally subdued on 7 September.

Yet, as if to add salt to the wound, a third fire found its way to the reserve on 11 September. Petra’s words captured the gravity of the situation, “We are overwhelmed... Rebel Fire Assist could not respond to the last fire because we simply can’t keep up at this point.” Fortunately, Pilanesberg Wildlife Trust, Copenhagen Zoo, and Vaalkop WoF responders managed to subdue this latest fire by 12 September.

The series of events serve as a reminder of the fragile balance of our ecosystem and the challenges our responders face. The brave souls battling the fires aren’t just fighting flames; they’re protecting a sanctuary. As readers, let us rally behind those who risk it all to protect our community and our natural wonders by educating others on the devastating consequences which fires pose during this trying time.

Quality healthcare delivered to students

Rustenburg - Cllr Shiela Mabale-Huma, the executive mayor of Rustenburg, welcomed guests and students at the MEC'S TVET Sanitary Pads Launch, held at Orbit TVET College, Rustenburg Campus on Monday 11 September 2023. The event was launched by the North West MEC for Health, Madoda Sambatha.

The need for this programme was triggered by the serious health challenges and exposures by our institutions of higher learning students. The North West Department of Health (NWDoh) has therefore, established a working relationship with the Higher Health, a unit responsible for health within the Department of Higher Education and Training (DHET). This relationship is managed through the Memorandum of Understanding (MOU) between the NWDoh and Higher Health NW, which focuses on access to quality healthcare by the students. The MOU also allows for the delivery of campus health services more relevant to students, such as youth-friendly services.

Closing date extended for written submissions on the National Health Insurance (NHI) Bill

SA - As requested by the public and stakeholders the Select Committee on Health and Social Services has agreed to extend the deadline for the closing date for written submissions on the National Health Insurance (NHI) Bill.

The chairperson of the committee, Zoyisile Njadu said the decision to extend the deadline for the submissions was informed by the appeals that the committee has received from relevant stakeholders who play an important role in the delivery of healthcare services in the country. The new closing date that has been agreed upon is 15 September 2023.

According to the committee, the objective of the NHI Bill is to provide universal access to quality healthcare for all South Africans as enshrined in the Constitution. The Constitution recognises healthcare as a fundamental human right. It states that "everyone has the right to have access to healthcare services... the state must take reasonable legislative and other measures, within its available resources, to achieve the progressive realisation of these rights and no one may be refused emergency medical treatment."

The NHI Bill seeks to achieve this by ensuring that:

- No one is deprived of the above-mentioned rights because of their socio-economic status
- One public health fund is created with adequate resources to plan for and effectively meet the health needs of the entire population, not just for a selected few
- The ultimate goal is to achieve Universal Health Coverage (UHC)

How does the NHI Bill aim to benefit South Africans?

- The NHI fund will cover South Africans of all races, rich or poor and legal long-term residents.

- There will be one pool of healthcare funding for private and public healthcare providers alike.
- The cost of the healthcare system, which is currently the most expensive in the world, will be reduced.
- When people visit healthcare facilities, there will be no fees charged because the NHI fund will cover the costs of people's medical care in the same way that medical aids do for their members.
- NHI will narrow the gap between the rich and poor in terms of standards of healthcare.
- South Africans will no longer be required to contribute directly to a medical health scheme to get quality healthcare.

The NHI Fund will be funded from:

- General taxes,
- Contributions of persons earning above a set amount
- Monthly contributions made by the employees to the fund
- Employers will assist the NHI Fund by ensuring that their workers' contributions to the NHI fund are collected and submitted, in a similar manner to UIF contributions.

What will happen to members of medical aid schemes and private healthcare providers?

NHI will not replace medical aid schemes, members will be free to continue with their medical schemes if they still wish to. When the NHI is fully implemented the role of medical schemes will change as they will provide cover for services not reimbursable by the NHI Fund.

The closing date for submissions is Friday 15 September 2023 at 12:00. Enquiries, as well as written submissions, can be directed to M Williams, Select Committee on Health and Social Services, email: mawilliams@parliament.gov.za

Discover the marvellous world of shore birds: join BirdLife Rustenburg's insightful talk

African Jacana, by Geoff Finney

Water Thick-knee, by Hanti Mathews

Rustenburg – Shore birds, known as waders, constitute a captivating avian group that frequents water environments, showcasing their remarkable adaptability. From sea-level dwellers like Sanderlings and White-fronted Plovers to high-altitude residents above 5,000 meters, waders enchant bird enthusiasts with their diverse habitats. These avian wonders, celebrated for their extraordinary migrations spanning vast distances in mere days, face increasing threats worldwide due to human population growth, habitat loss, and challenges like pollution and global warming. Around Rustenburg, several notable wader hotspots exist, including Rockwall Dam, Kroondal Dam, Finfoot Lodge, and Pilanesberg National Park. These locations host a surprising array of waders during the summer months, including Three-banded, Kittlitz's, and White-fronted Plovers, Little Stints, African Jacana, Black-winged Stilts, and more. BirdLife Rustenburg invites you to their monthly meeting, featuring Hanti Mathews, who will deliver an informative photographic presentation offering tips on identifying waders in our region. Join us on Monday 18 September 2023 at 18:30, at the Methodist Church located on the corner of Brink and Schuurman Streets. Everyone, whether a member or not, is welcome to attend, with non-members paying a nominal fee of R30.00 per person. **For further information about BirdLife Rustenburg and event details, please contact Charles Foot at 073 452 3874.**

Impala Rustenburg's first female rock drill operator to operate hydropower equipment

Rustenburg - Sephiwe Plaatjie has become Impala Rustenburg's first female rock drill operator (RDO) to operate hydropower equipment, marking a significant achievement at the mine. Plaatjie's journey has been marked by resilience, commitment, and a determination to breaking barriers.

The rock drilling environment, known for being a traditionally male-dominated field, posed hurdles that she was determined to overcome. Recognising the need to excel, Plaatjie undertook the challenge head-on, pushing herself twice as hard and committing to learning as much as she could about the equipment and operations.

Plaatjie said: "I am thrilled to be the first woman RDO operating hydropower equipment at Impala Rustenburg. It has not been easy, but we are making notable strides towards gender equality in the mining industry. I chose this career path to challenge the misconception that certain roles are reserved for a specific gender. Machinery and technology have evolved, and women can excel in these roles just as much as men."

Plaatjie's aspirations reach beyond this remarkable achievement. She dreams of becoming a mine manager one day, while also mentoring and guiding other women as they navigate their paths in a still somewhat male-dominated industry. Her dedication to helping other women succeed will hopefully help to make a lasting impact on the industry's gender landscape.

Chief executive of Impala Rustenburg, Moses Mothlageng said: "We offer our heartfelt congratulations to Sephiwe Plaatjie. Her achievement is an encouraging sign that our efforts to create a diverse and empowering environment at the 'Home of Champions' are moving in the right direction."

Impala Rustenburg remains steadfast in its unwavering dedication to gender equality and the promotion of equal opportunities, both of which have played a pivotal role in paving the path for Plaatjie's milestone accomplishment. Impala's ongoing commitment to embracing diversity not only enhances the richness of its workforce but also propels the industry's growth and nurtures a culture of innovation.

Towing services unite for Tumagole Primary's 'Dignity Drive'

Local towing services from Rustenburg rallied together for a memorable festive event.

Rustenburg – Thursday 7 September 2023 marked a special day for the learners at Tumagole Primary School in Phokeng. The school was chosen as the recipient of a goodwill gesture orchestrated by various Rustenburg towing services.

Grateful for the unyielding support they consistently receive from Rustenburg's community, these towing services decided to reciprocate in a grand way. This birthed the "Dignity Drive", a heartfelt initiative that had a singular purpose: enriching the daily lives of these young learners.

The learners were presented with an array of essential toiletries, ranging from toothpaste, toothbrushes, and washcloths to deodorant, sanitary towels, soap, body lotion, and even shoe polish.

Mogomotsi Matshaba, a dedicated tow truck driver from Anton's Towing and a key figure behind this initiative, said: "The 'Dignity Drive' started as a mere idea, and to see it come to life was nothing short of heartwarming. Those genuine smiles were priceless. At its core, this drive was our way of fostering a deeper connection with our community." A resounding applause and gratitude to all who

played a part in transforming this vision into reality! **The architects behind this uplifting venture were:**

- Thapelo Bothhale, Mike's Towing Services
- Andre Khumo Phetle, CMG Towing Services
- Scello Lebera, S Towing Services
- Shepard Masoga, Team5towing Service
- Ontiretse Moloantwa, Fearless Towing Services
- Katlego Pila, Pila Towing Services
- Anton (Appy) du Plessis, Wynns Towing & Recovery
- Mogomotsi Matshaba, Anton's Towing Services

With eyes set on the horizon, the dedicated team from the towing sector is hopeful about broadening the scope of such initiatives.

Eager young faces lit up as they received generous donations.

Have your say / Sê jou sê

Do you still play your old CDs?

With the rise of digital music, streaming services, and smart devices, traditional forms of music like CDs have become somewhat obsolete. Yet, CDs were a significant part of many people's lives, especially those who grew up in the '90s and early 2000s. For some, these discs are not just objects but mementos that evoke nostalgia, memories, and emotions. With that said, do you still play yours?

Absolutely, I still enjoy playing my old CDs. There's something uniquely satisfying about the ritual of carefully selecting a CD, delicately removing it from its cover, giving it a gentle wipe, and then placing it into the DVD player. It's as if I'm transported back to a simpler time, and I must admit, I cherish my collection of CDs. In the immortal words of Metallica, "and nothing else matters." Call me old-fashioned, but the nostalgia and joy these CDs bring are irreplaceable. **Grace Pheoane**

I do. Old CDs hold significant value for me. Their music quality remains pristine, unaffected by the frustrations of poor internet connectivity. Moreover, they evoke nostalgic memories of bygone days. I fondly recall iconic albums like NOW, Shania Twain, and Afrikaanse Treffers. CDs are especially convenient for in-car use, ensuring both a distraction-free journey and enhanced road safety, as they eliminate the need for smartphone distractions. **Michelle Coetzer**

Yes. Despite modern technology, I cherish my collection of CDs. In fact, I have a few cassettes at home as well. Fortunately, I still possess a Hi-Fi player capable of playing cassettes, and there's something quite nostalgic and comforting about using it. **Danny Moreo**

PROVERBS 21

The Lord Considers the Heart
 21 The king's heart is in the hand of the Lord,
 Like the rivers of water;
 He turns it wherever He wishes.
 2 Every way of a man is right in his own eyes,
 But the Lord weighs the hearts.
 3 To do righteousness and justice
 Is more acceptable to the Lord than sacrifice.
 4 A haughty look, a proud heart,
 And the plowing of the wicked are sin.
 5 The plans of the diligent lead surely to plenty,
 But those of everyone who is hasty, surely to poverty.
 6 Getting treasures by a lying tongue
 Is the fleeting fantasy of those who seek death.
 7 The violence of the wicked will destroy them,
 Because they refuse to do justice.
 8 The way of a guilty man is perverse;
 But as for the pure,
 his work is right.

The unveiling of the Wall of Memory, which is situated on the hallway that leads to the parade grounds.

Wall of Memory unveiling at Madikwe SAPS

Madikwe - On Wednesday 30 August 2023, the Madikwe police led by station commander, colonel Linda Boooyce, held a successful yet beautiful function to unveil a "Wall of Memory" at Madikwe police station parade grounds.

Termed "Three in One" the function entailed the unveiling, closing of Women's Month, and bidding farewell to members who are going on retirement. The Wall of Memory which is situated at the hallway that leads to the parade grounds bears the famous faces of the past station commanders to date, and the duration they managed the station and rendered services to the community of Madikwe. The theme was a black-tie affair, and the guests didn't disappoint.

The guests of honour, former station commanders, some of whom were accompanied by their spouses, children, grandchildren, and even their extended family members, were in attendance. Colonel Boooyce delivered a touching and emotional

speech on how she and her members started and achieved the whole process. She again thanked the old guards and families on behalf of the station and assured them that Madikwe SAPS will never forget them and will continue to honour them.

The occasion was graced by the provincial head for legal and policy services, major general Olifant who delivered the keynote address on behalf of the provincial commissioner, lieutenant general Sello Kwena, while colonel Daisy Nkitsing and colonel Sarah Moagi represented the acting district commissioner brigadier Mamotsamai Ntoagae.

In his remarks, major general Olifant praised the station commander and her members and urged them to continue working together. He further stated that he hopes other stations within the province will follow the precedent set by Madikwe SAPS in honouring officers who served before in their respective stations.

Job Shimankana Tabane Hospital continues to break boundaries

Rustenburg - Job Shimankana Tabane (JST) Hospital completed a successful major vascular surgery on Monday 28 August 2023. This is the first of its kind in the public sector in the Bojanala District. Vascular surgery is a major reconstruction of the major blood vessels in the body making it extremely high risk. It is performed by a handful of vascular surgeons.

The team performed two surgeries at the same time on the patient. The first is an aortobifemoral bypass and the second is a femoral popliteal bypass. This was done to transfer blood from the abdominal aorta to the lower part of the body as the patient's aorta was completely blocked leading to gangrene and partial loss of his foot.

"This surgery is rarely done as a combination and individually, also they are becoming rare as new technologies allow lesser procedures, however, in this patient the lesser procedures would not be possible as his arteries were severely occluded, hence this surgery was performed in order to save both patient's legs from amputation. Patients have leg problems and don't always understand why we need to operate in the abdomen to treat the legs. Without the operation, the patient would likely lose both his legs above the knee," remarked Dr Moinuddeen Vally, the vascular surgeon that led the surgery. Vally is one of the two

vascular surgeons in the North West Province. The patient requires general anesthesia, opening the groins and abdomen, the vascular surgeon exposes the aorta deep in the body, completely clamps it, then sews an artificial artery onto the groin and brings the artificial artery to the groins and sews them on the vessels, finally they harvest the patient's vein and bypass from the groin to the knee.

Due to the major operation the recovery of the patient will take at least 7 to 10 days in hospital and then another 6 weeks for full recovery.

"The successful procedure was completed in 7 hours. Due to lack of resources, the procedure is rarely done in the public sector and is mostly accomplished through the Public Private Partnership (PPP)," said Dr George Maesela, senior clinical manager.

"Previously in public hospitals these procedures were only done at major academic centres, especially in other provinces meaning that patients would be away from their families and occasionally wait for weeks for their turn to be operated on. The procedure being accomplished at JST Hospital proves that skills and expertise offered are equal to major tertiary level hospitals and are able to treat patients closer to home," concluded Vally.

JST, press release, 12 September 2023.

Bakubung Primary's 'Career Day': dressing up for tomorrow

Rustenburg - On Thursday 8 August 2023, the hallways of Bakubung Primary School were a little more colourful and animated than usual. With tiny doctors, firefighters, librarians and more, the school's Grade R 'Career Dress-up Day' was in full swing. The day was designed not merely as an exercise in creativity and fun, but with the broader vision to plant seeds of ambition, nurturing young minds to ponder their future roles in society. From the laughter and chatter, it was evident that these children were excited to imagine the endless possibilities the world holds for them.

The success of such an event relies on more than just the enthusiasm of the little ones. It requires collaboration, commitment, and the support of the broader community. In this regard, Bakubung Primary School extended its gratitude to the various stakeholders who stepped up to make the day memorable. Heartfelt thanks go out to Sun Village SuperSpar, Moses Kotane Hospital Clinical Office, Moses Kotane Sub-district EMS, Department of Social Development, Lesang Bana ELC, Mogwase Community Library, Mogwase Fire Station, Pastor Dube from Bridge of Hope Outreach, Sun City SAPS, Moses Kotane LEO Subject Specialists, and the dedicated Grade R parents.

Through collective effort, the day wasn't just about costumes, but about shaping visions and dreams for the future. The children of Bakubung Primary School are a testament to the power of community and imagination combined. **Issued by Bakubung Primary School grade R educator and event organiser Karabo Mathibe.**

Salamina Mosese inspires young readers

Rustenburg – On Monday 28 of August 2023, actress, writer, and television presenter Salamina Mosese visited Silwerrand Primary School to promote her latest novel, titled 'Disaster at Gogo's Spaza'. Students eagerly lined up to purchase her book, reflecting the interest generated by her work and her skill as an artist and storyteller.

The story is about a young girl, Tumi visits her Gogo in Soweto for the holidays. She and her twin cousins often help Gogo in her spaza shop. Gogo's Goodies is the oldest spaza in all of Soweto and Gogo's pride and joy. When Gogo leaves for a few days, Tumi has one of her crazy ideas: They will open the shop and run it themselves and earn loads of money! But they've never had to do it without Gogo, and things quickly get out of hand, making the spaza more famous than ever...
