SLOW DOWN.

PEOPLE ARE DYING.

More than 1,400 people have already died on SA's roads this season — and Rustenburg drivers are part of the problem.

"Speeding might save a few seconds, but it can cost lives. Slow down."

Cyril Moseje, Best Life Emergency Medical Services base manager

"Wake up! Be vigilant and follow the road rules — all the time, not just when it suits you."

Hennie Madeley, Eagle Trauma Rescue, operational manager

"Your car is not a race car. I'd rather see you arrive late than arrive in an ambulance."

Daneel Scheepers, ER24 branch manager

"Keep to the speed limit. Use your lights at night. These are simple things that save lives."

Rufus Nong, Bojanala EMS operational manager

Platinum Weekly newspaper | Rustenburg – Let's be honest: people are driving like idiots — and it's killing others. More than 1,400 people died on South Africa's roads over the recent festive period alone, according to official road safety figures (between 1 December 2025 and 11 January 2026 in 1,172 crashes). That number isn't accidents. It's people. Parents. Kids. Someone who didn't get home. And while the stats are national, the problem is local.

In Rustenburg, dangerous driving has become normal — especially in the mornings when parents are taking children to school. Speeding. Cutting in. Ignoring stop streets. Overtaking when there's clearly no space. One mother said it's happening every single day. "School has been open just over a week, and every morning I see more than one near-accident. If I don't react, my car gets hit. This isn't bad luck — it's bad driving."

Emergency services on the ground say the same thing: most crashes they attend didn't need to happen. Rustenburg First Responders administrator Ammaar Wadee urges motorists to stop rushing and think about who else is on the road. "Reckless driving doesn't just risk your life — it risks everyone else's."

This isn't about fines. It isn't about traffic cops. It's about this question: Are you willing to slow down so someone else's child can get home alive? If the answer is yes — drive like it.

A MORNING OF LOSS AT SUNRISE BRIDGE

Platinum Weekly newspaper | Rustenburg – A tragic drowning incident claimed the life of a 37-year-old man at Sunrise Bridge on Wednesday morning, 28 January 2026. At approximately 09:00, Rustenburg First Responders were dispatched to the scene after receiving reports of a person who had drowned in the river and required urgent assistance. Multiple emergency and rescue services responded swiftly, including ER24, North West Provincial

EMS, Boitekong SAPS, Search and Rescue teams, Fire and Rescue Services, as well as a specialised diving team. On arrival, emergency personnel worked together in a coordinated rescue effort. The patient was successfully recovered from the water; however, despite all lifesaving attempts, he was tragically declared deceased at the scene. Rustenburg First Responders administrator Ammaar Wadee said: "Our deepest condolences

Emergency and rescue teams at Sunrise Bridge, where a 37-year-old man tragically drowned despite a swift multi-agency response.

go out to the family and loved ones affected by this tragic incident." According to sergeant Ofentse Mokgadi, an inquest docket has been opened for investigation. "It is alleged that the 37-year-old victim was swimming in the company of a friend when he reportedly drowned," Mokgadi stated.

TRIO ARRESTED IN TWO-YEAR-OLD RUSTENBURG MURDER CASE

Suspects arrested

Platinum Weekly newspaper | Rustenburg — Three suspects have been arrested in connection with the kidnapping and murder of 46-year-old Vulindlela Mgolombane, who was reported missing in January 2023. Mgolombane was last heard from more than two years ago after attempts by family members to contact him failed. Investigations later revealed that shortly after his disappearance, more than R1 million was withdrawn and transferred from his bank account, raising suspicions of criminal involvement. The case was investigated by the Bojanala Platinum Sub-District 2 Trio Task Team. Police identified the victim's niece and her boyfriend as suspects, after which the pair allegedly fled the province. This led to a tracing operation across North West, Gauteng and the Eastern Cape, with assistance from Crime Intelligence. On Monday, 26 January 2026, police arrested the two suspects together with an alleged accomplice in Kanana near Rustenburg.

According to police investigations, Mgolombane was allegedly strangled following a dispute. His body was reportedly placed inside his vehicle and later dumped in bushes near Mosenthal. The third suspect is alleged to have assisted in disposing of the body in return for a promised payment. Police further confirmed that a decomposed body was discovered by a passerby in bushes at Boitekong on Wednesday, 25 January 2023. DNA analysis is still outstanding to formally confirm the identity of the remains. Court appearance The accused — Bafana Kgaladi (31), Pretty Nomhle Jack (27) and Kgomotso Rapoo (28) — appeared before the Rustenburg Magistrate's Court on Thursday 29 January 2026. The matter was postponed to 2 February 2026, and the accused were remanded in custody to allow them to consult with Legal Aid. They face charges including murder, kidnapping, theft, fraud and defeating the ends of justice.

Tip-Off Cracks School Burglary Case in Mooinooi

Platinum Weekly newspaper | Mooinooi – Three teenage suspects have been arrested following a business burglary at a local secondary school in Mooinooi, where electronic equipment valued at more than R100,000 was stolen. Police in Mooinooi acted on a tip-off about suspected stolen property being sold and traced the suspects to their homes on Wednesday, 28 January 2026. Searches conducted at the residences led to the recovery of tablets, laptops, chargers, calculators, and computer monitors, which were found hidden in various places, including under a bed, inside a washing basket, and in a bag. The suspects, aged 16 to 17, face charges of business burglary and possession of suspected stolen property. They appeared before the Brits

Magistrates' Court on Friday, 30 January 2026, and were released into the care of their parents or guardians.

Recovered electronic equipment, including laptops and tablets, linked to the Mooinooi school burglary following the arrest of three suspects.

Rustenburg Rides for Hope

Platinum Weekly newspaper | Rustenburg – In February 2026, Rustenburg will roar with more than motorbike engines — it will echo with hope. The “Ride for a Child” charity motorbike event, organised by Pediatric Care Africa, is changing course this year for one very special reason: Caleb, a baby from Nelspruit born with a rare and severe brain condition that causes relentless seizures. Surgery is his only chance. On Wednesday, 18 February 2026, the riders arrive in Rustenburg as part of this national fundraising journey. Unlike previous years, the 2026 ride is not about distance, but direction — focusing

all energy on raising funds for Caleb’s life-saving brain surgery in Cape Town. Every rand raised goes directly to his verified BackaBuddy campaign to help cover medical, travel, and recovery costs. Bikers, businesses, families and residents are encouraged to take note now, spread the word, and get ready to support when the riders roll in. Because when Thabazimbi shows up, it shows up strong — and for Caleb, that strength could mean a future.

PSALM 18:1-2

To the Chief Musician. A Psalm of David the servant of the LORD, who spoke to the LORD the words of this song on the day that the LORD delivered him from the hand of all his enemies and from the hand of Saul. And he said:

I will love You, O LORD, my strength. The LORD is my rock and my fortress and my deliverer; My God, my strength, in whom I will trust; My shield and the horn of my salvation, my stronghold.

NEW KING JAMES VERSION (NKJV)

HAVE YOUR SAY

Is it more important to you to be liked than respected?

Being liked can build warmth and connection, while being respected often brings trust and credibility. Some believe respect lasts longer; others value harmony and approval. In daily life, work, and community leadership, which matters more to you – and why?

“Respect matters more to me than being liked. It earns trust and credibility in society, and unlike popularity, respect has lasting value.”

Lethogonolo Tiro, Rustenburg

“Being liked is comfortable, but fragile. Respect is built through integrity, consistency, and action. People may disagree with you, but they know where you stand and that your word counts.”

André van Dyk, Rustenburg

DID YOU KNOW?

ARRESTED, RELEASED, REPEATED... In South Africa, police make about 1.1 million arrests a year – roughly 3,000 a day. Yet only a fraction end in jail: around 37 % of the national prison population are awaiting trial, not convicted. Court delays are real – recent reports show that the criminal case backlog reduction target was only about 43 % achieved, meaning many cases still wait in the system. Many arrested people are released on bail or warning while courts take months or years to conclude matters.
