The R5,000 in cash allegedly used in an attempt to bribe police officers.

The explosives discovered by police during a search.

**Platinum Weekly newspaper | Rustenburg** – Members of the Rustenburg Explosives Unit assisted in a joint police intelligence operation that led to the arrest of a couple for possession of explosives and attempting to bribe police. According to Limpopo police spokesperson colonel Malesela Ledwaba, members of the Thabazimbi and Northam Detective Units worked together with the Rustenburg Explosives Unit after receiving information about a woman allegedly keeping explosives at a house in the Northam RDP Section. Police moved swiftly to the residence, where they found a 27-year-old woman and conducted a search of the property. Members of the Rustenburg Explosives Unit discovered explosives inside the house, and the woman was immediately arrested for possession of explosives. During questioning, the suspect allegedly told police that the explosives belonged to her 39-year-old boyfriend, who works at a local mine. Shortly after the arrest, the boyfriend reportedly approached police officers in an attempt to negotiate his girlfriend's release, offering them R5,000 in cash. Police then set up an entrapment operation, and the 39-year-old man was arrested after he handed the money to officers. The couple appeared in the Northam Magistrate's Court on Monday, 2 March 2026, facing charges of possession of explosives and bribery of police officials. Investigations are continuing.

**Two Little Lives Lost**

**Platinum Weekly newspaper | Groot Marico** – A father is expected to appear in court following the tragic deaths of his two young sons, whose bodies were discovered in bushes near a river at Skuinsdrift–Tshwaro Farms outside Groot Marico.

Police were called to the scene on Saturday afternoon, 7 March 2026, after the lifeless bodies of a one-year-old baby boy and his three-year-old brother were found. According to authorities, the children had sustained multiple injuries. Emergency and Medical Rescue Services were summoned, but both brothers were declared dead at the scene.

Sergeant Kelebogile Morake reported that preliminary information indicates the boys' 35-year-old father allegedly collected them earlier that day from their grandmother while their mother was attending church. It is further alleged that an argument had taken place between the parents prior to the incident, during which the father reportedly threatened to kill the children.

With assistance from members of the local community, police traced and arrested the suspect on Sunday, 8 March 2026. He appeared in the Groot Marico Magistrates' Court on Monday, 10 March 2026, facing two counts of murder. Authorities have reiterated that community vigilance and early intervention remain critical in preventing tragedies of this nature.

We extend our sincerest condolences to the children's mother, family and loved ones during this heartbreaking time.

# Where Hands Meet the Work, Change Begins

**Platinum Weekly newspaper | Rustenburg** – While many people talk about improving their neighbourhoods, Our Ward Matters (OWM) is proving that real change begins with action. Through regular clean-ups and hands-on community work, the OWM team is transforming neglected spaces into cleaner, safer and more visible areas for residents. Their efforts already span Wards 16 and 17 and are now expanding into Ward 15, bringing renewed pride to local streets and public spaces.

Led by André van Dyk alongside Ward 17 councillor Tanya Rothman, the initiative demonstrates the power of residents working together to take ownership of their environment. From cutting overgrown grass and removing illegal dumping to clearing illegal signage and improving visibility along busy roads, the team continues to tackle problem areas across the community.

## Adelaide Substation clean-up highlights safety concerns | 5 March

OWM redirected its clean-up to the Adelaide Substation after a site inspection with councillors Luan Snyders and Tanya Rothman. The team identified an urgent need to clear dense bushes and overgrown grass around the substation. The move followed recent vandalism and cable theft, which left areas including Cuckoo, Selly Park, Azalea Park and Korokoro without electricity.

## Volunteers restore visibility along Wildevy and Kruger streets | 9 March

OWM volunteers returned to the corner of Wildevy Avenue and

Kruger Street, near Rustenburg Baptist Church, where grass in the open veld was cut to improve visibility. Illegal advertising signs along Tamarisk Avenue and Kruger Street were removed as teams continued the route cleaned during the GrowthPoint Church project. Additional boards were removed near Wildevy Centre and the bridge, while litter was collected and loaded into a skip supplied by the RLM Waste Department, arranged by Cllr Tanya Rothman. OWM thanked WATER4U & Laundry Services for sponsoring purified water for the volunteers.

## Teams tackle multiple hotspots in Geelhoutpark | 10 March

OWM volunteers began at Fiddlewood Place and Cycad Avenue, cutting grass, clearing bushes and collecting litter in the open space. A second team worked at Cycad Avenue and Santolina, near Watsonia Road, clearing grass and rubbish. Another volunteer collected litter from Cycad Avenue towards Kremetart, around W.A. van Zyl Hall, and the nearby veld. Refuse bags was collected by the RLM Waste Department, arranged by Cllr Tanya Rothman.

## GrowthPoint Church and Our Ward Matters united for major community clean-up

**Platinum Weekly newspaper | Rustenburg** – What began as an invitation to serve the community turned into a powerful demonstration of teamwork when GrowthPoint Church partnered with *Our Ward Matters* for a large-scale clean-up on Saturday, 7 March 2026.

The morning began with prayer led by Pastor Doug, after which volunteers split into teams and headed out to several areas across Wards 16 and 15. Pastor Doug and a group of volunteers tackled the road islands in Kock Street, continuing into Helen Joseph Drive, removing sand and overgrown grass with spades and wheelbarrows — an important task that improves road safety. Other teams collected litter along Helen Joseph towards the BP Garage, while volunteers worked around Kameelboom Avenue, the tennis courts and the areas surrounding Mopanie and Maroela Avenue. Additional teams cleared the corner of Kruger Street and President Mbeki Drive, collecting large numbers of refuse bags before continuing along both sides of Wildevy Avenue and Kruger Street.

Volunteers also tackled heavy illegal dumping in Moepel Avenue and behind Wildevy Centre, where wheelbarrows were used to transport waste to a skip delivered earlier by the municipal waste department. By the end of the morning, volunteers had also completed the cleaning of Kruger Bridge, cutting grass, removing weeds and sweeping both sides.

“There’s something incredibly powerful about watching neighbours show up for each other. When people give their time, their energy and their hearts like this, you realise a community is not just a place — it’s people who care,” said Van Dyk.

The grass didn't stand a chance!

# A Mother's Fight

**Platinum Weekly newspaper | Rustenburg** – What began as a painful leg quickly turned into a frightening medical emergency for 33-year-old Zelmarie Botha – a devoted wife, mother, and familiar face in the Rustenburg community.

Zelmarie sought medical help after experiencing severe pain in her left leg. A venous Doppler scan revealed devastating news: multiple blood clots had formed in the veins of her leg, a serious condition known as Deep Vein Thrombosis (DVT). Doctors discovered that the clots stretch through several major veins in her leg, including the left iliac vein, femoral vein, popliteal vein behind the knee, and the tibial and peroneal veins in the lower leg. Some of these clots are completely blocking blood flow, while others partially restrict circulation – making the situation extremely dangerous.

On 6 March 2026, Zelmarie consulted with vascular surgeon Dr Phillip Eloff, who confirmed that the clot had progressed further up toward her abdomen, significantly increasing the risk to her life. If a clot were to travel to her lungs, it could cause a pulmonary embolism, a potentially fatal complication. Because of this risk, doctors have recommended urgent surgery to remove

the clot and restore blood flow. Following the procedure, Zelmarie faces a long road to recovery, estimated at around six months, which will include medication, follow-up treatments, and rehabilitation.

For Zelmarie and her family – husband Julian and their young son Zayden – the diagnosis came as a sudden and overwhelming shock. “Just days ago life felt normal,” Zelmarie shared. “Now everything has changed.”

Beyond the emotional toll, the financial burden of treatment is immense, the total estimated cost to approximately R300,000. For Zelmarie, asking for help does not come easily. But with the urgency of the situation, she has turned to the community for support.

Many may remember Zelmarie from local pageants where she proudly represented Rustenburg. She was crowned Miss Rustenburg Herald in 2013, later earning the title of Mrs Rustenburg Second Princess in 2019, and was also awarded Mrs Rustenburg Photogenic 2019.

A BackaBuddy fundraising campaign has been launched to help cover the urgent medical expenses required for the surgery and recovery. Every donation - no matter how small - will bring Zelmarie one step closer to receiving the treatment she needs. Those unable to donate are encouraged to share her story so that it may reach others who are able to help.

“I truly believe in the power of community, kindness and prayer,” Zelmarie says. “With your support, I believe I can get through this.”

Scan the QR code to donate on BackaBuddy and help Zelmarie receive the urgent medical care she needs.

Zelmarie Botha, a former Miss Rustenburg Herald (2013), Mrs Rustenburg 2nd Princess (2019), and Mrs Rustenburg Photogenic (2019), now courageously facing a life-threatening medical battle.

### Robbery and shootout leaves officer wounded

**Platinum Weekly newspaper | Rustenburg Noord** – A violent robbery at a mini market in Rustenburg Noord on Friday night, 27 February 2026, ended in a shootout between suspects and law enforcement, leaving a police officer injured and several vehicles damaged.

According to information available, a group of suspects entered the mini market and ordered everyone inside to lie on the floor. During the robbery, the suspects assaulted the owner of the shop, striking him in the face with a cooldrink crate. The suspects proceeded to take money from the tills and stole cigarettes from the store. Some

customers who were inside the shop at the time were also robbed.

The suspects reportedly arrived in a white bakkie, which they reversed into position outside the shop. They also had small electrical forklifts with them, apparently intending to load the ATM machine into the vehicle.

Their plan was interrupted when police and security personnel arrived at the scene, resulting in an exchange of gunfire between the suspects and law enforcement. During the shootout, four vehicles were damaged. A 26-year-old SAPS constable was shot in the right arm and was rushed to hospital for treatment. He has been admitted and is reported to be in a stable condition.

Police have opened a case of robbery and attempted murder, and investigations into the incident are ongoing. Authorities are urging anyone who may have information related to the incident to come forward and assist the investigation.

## N4 Spiking Strikes Again

**Platinum Weekly newspaper | Rustenburg** – The Bakwena Platinum Corridor Concessionaire issued a safety notice on Friday, 6 March 2026, warning drivers to remain vigilant when travelling after dark. Vehicle spiking — where sharp objects are placed on the road to puncture tyres and force vehicles to stop — has become an increasing concern for road users. Bakwena confirmed that they are working closely with authorities to address the problem. This includes collaboration with the South African Police Service, Metropolitan Police, and Provincial Traffic Authorities through Road Incident Management System (RIMS) forums. The coordinated effort aims to support ongoing investigations and provide additional resources to help reduce these incidents and improve safety on affected routes.

Motorists are encouraged to remain alert, avoid stopping in unsafe areas, and report suspicious activity to authorities.

## Police seize explosives in Waterfall Mall's parking area

**Platinum Weekly newspaper | Rustenburg** – Four men were arrested in the Waterfall Mall parking area after police recovered explosives during an intelligence-driven operation.

According to warrant officer Ofentse Mokgadi, Crime Prevention members acted on information about a vehicle allegedly transporting explosives. The operation was conducted with Crime Intelligence members from Gauteng and Rustenburg. The police identified the suspected vehicle, a Kia Rio, at the mall. When officers attempted to intercept it, the occupants tried to flee. Police shot at the vehicle's front right tyre, bringing it to a stop. All four suspects were arrested at the scene. A search of the vehicle uncovered 31 shocking tube assemblies, believed to be used in blasting operations. The suspects are being held at Rustenburg SAPS on charges of possession of suspected explosives, while investigations into the origin and intended use of the items continue. Acting sub-district commissioner brigadier Mamotsamai Ntoagae praised officers for their swift action, saying the recovery of the explosives helped prevent a potential threat to public safety.

## Flames Strike Kgamanyane Secondary School

**Platinum Weekly newspaper | Moruleng** – The administration block at Kgamanyane Secondary School in Moruleng Village was severely damaged by a fire in the early hours of Sunday, 1 March 2026. According to the North West Department of Education, the fire broke out at around 04:15. A nearby school governing body member noticed the blaze and alerted the school principal, who immediately contacted the fire department and police. By the time firefighters arrived, much of the building had already been destroyed. Areas affected include the staff room, administration offices, food storage area, staff kitchen, ablation facilities, sick bay and strong room. Important equipment such as photocopiers, refrigerators, desks and cupboards, as well as learners' books and key school records, were also lost. North West Education MEC Viola Motsumi expressed deep disappointment, describing the incident as a serious setback for the school community. She assured parents, learners and staff that the department will provide support to ensure that teaching and learning continue without disruption. Authorities have called on community members to assist law enforcement with any information that may help identify those responsible.

# Armed robbers target hitchhikers on R510

**Platinum Weekly newspaper | Rustenburg** – Residents and commuters travelling between Northam and Rustenburg have been urged to remain vigilant following two armed robberies reported along the R510 near the Leagajang junction. The incidents occurred in the early hours of Friday 6 March 2026, and are currently under investigation. According to warrant officer Ofentse Mokgadi, both robberies followed a similar agenda. In each case, victims who were seeking lifts along the road were picked up by occupants of a silver-grey Datsun Go carrying three unknown men believed to be speaking Zulu. Shortly after the victims entered the vehicle, the situation turned risky. One suspect seated in the front allegedly produced a firearm, while another suspect in the rear seat threatened the victims with a knife. The suspects then searched the victims and took several personal belongings before forcing them out of the vehicle. The suspects reportedly fled the scene immediately after the robberies. Among the items taken from victims were cellphones, cash, bank cards, personal identification documents, jewellery, and shoes.

Anyone with information is encouraged to contact the Mogwase Police Station or captain William Ratsoma on 082 569 4887. Investigations into the robberies are ongoing.

## HAVE YOUR SAY

### In today's day and age, do you think war is ever justified?

With current global conflicts raising difficult moral questions, many reflect on the idea that there may be a time for war and a time for peace – even a time to pick up a stone and a time to set it aside. In today's world, can war ever truly be justified? What do you think?

"No. War causes more suffering than solutions. Innocent people and families are hurt or separated, and countries take years to recover. Conflicts should be resolved through discussion, agreements and cooperation, not violence."  
**Kgalalelo Mampone, Rustenburg**

"No. Modern wars are often driven by greed and power, causing unnecessary destruction and loss of life. When leaders push for conflict, people around them should stand up and stop it."  
**Marina Marais, Rustenburg**

**SIBLINGS COULD BE ASKED TO PAY MAINTENANCE...**  
Many South Africans have recently been surprised to learn that, in certain situations, the law may allow maintenance claims between siblings (recent social media). Under South African common law, family members have a broader "duty of support." This means that if someone cannot support themselves and close relatives such as parents cannot help, a court could consider ordering a financially able sibling to contribute. Such cases are uncommon and depend on strict conditions decided by a maintenance court. The rule has sparked debate, with some people questioning whether it is fair, while others see it as part of family responsibility.

# 'Rustenburg Rocket' Ready to Race Again!

DEFENDING CHAMPION, VAN ROOYEN, TARGETS STRONG START AT KILLARNEY SATC SEASON OPENER

**Platinum Weekly newspaper** | Rustenburg's own Michael van Rooyen - affectionately known as the "Rustenburg Rocket" - is preparing to defend his South African Touring Cars (SATC) championship in the 2026 season.

Van Rooyen, who balances life as CEO of Rustenburg Steel Construction with his passion for racing, has become one of the town's proudest sporting representatives. Despite being a full-time businessman and family man, he has built an impressive motorsport career, proving that dedication and passion can lead to national success.

His racing journey began in karting in his early twenties. He quickly made his mark by winning the national 125cc GP karting championship in 2004 and the Rotax Max Challenge South Africa title in 2005, later finishing fifth at the Rotax Max Challenge Grand Finals.

Van Rooyen then progressed to saloon car racing and became a regular front-runner in the Production Car Championship before stepping up to the country's premier touring car category. He was one of the first drivers to compete in the Global Touring Cars Championship when it launched in 2016 — now known as SATC — and later joined Toyota Gazoo Racing South Africa as a factory driver.

His breakthrough came in 2025 when a season of consistent podium finishes earned him the national championship, clinched at the final round at Zwartkops Raceway. Now returning as defending champion, van Rooyen will again race for Toyota Gazoo Racing South Africa in 2026, joined by rising talent Jason Coetzee. The new SATC season begins on 13–14 March 2026 at Killarney International Raceway in Cape Town, where Rustenburg's "Rocket" will start his campaign to keep the national title.

## Silwerrand Schools and Afri Readymix Lay the Foundation for Young Athletes

**Platinum Weekly newspaper** | Rustenburg – We recently paid a visit to Silwerrand Schools (primary and secondary) to learn more about their new multi-purpose netball and tennis court currently under construction on the school grounds – a project made possible through a long-standing partnership with Afri Readymix Rustenburg (Pty) Ltd.

The project, which has been underway for two years, represents far more than a sports facility. For the school community, it symbolises growth, perseverance and the strong relationships built with local businesses.

Silwerrand Schools first started working with Afri Readymix about ten years ago. Since then, the company has played a key role in the school's development, supplying concrete for several parts of the campus – from foundations to flooring.

The multi-purpose court will primarily be developed as a netball court, with plans to add the necessary infrastructure later so it can also be used for tennis. While the concrete surface has already been completed, the facility is not yet ready for use. Fencing and other essential equipment still need to be installed. Construction has not been without challenges. Heavy rainfall made it difficult for the cement to dry during certain stages of the project, slowing progress. Despite this, the school remains hopeful that the court will be completed later this year.

Silwerrand Schools itself has seen remarkable growth over the years. What started in 2015 as a small pre-school with just 21 children has grown into a fully established primary and high school with 606 learners in 2026.

The school is also preparing for an important milestone, as it will host its first Grade 12 group in 2027 – a moment the school community is already looking forward to celebrating.

For director Charlene Schoeman, the journey has always been about community and shared support. "Ever since we started this school, we have always had Afri Readymix's support," Schoeman said. "And we would like to thank them for that."

Afri Readymix director Gerhard Maree explained that the company has been involved in the school's development since its earliest days. "Most of the concrete used throughout the school comes from us," Maree said. "So, in a unique way, we've helped lay the foundations of this school."

Afri Readymix has also made a conscious effort to support netball in the region. "Most sports sponsorships tend to go to rugby," Maree explained. "Last year we decided to look at netball as well, because we felt it wasn't receiving the support it deserves. Silwerrand was the first school we sponsored, and from there we expanded our support to other schools in Rustenburg."

Looking ahead, the school already has plans for its next big project once the court is completed: the installation of a 50-metre swimming pool that could allow Silwerrand to host swimming competitions in the future. For now, however, the focus remains on finishing the court — a project built on dedication, partnership and the belief that investing in young people strengthens the entire community.

Applications for the 2027 academic year will open during the second term.
